

THE PORTABLE MENTOR

Psychology is a popular subject to study, with thousands entering graduate school each year, but unlike med or pre-law, there is limited information available to help students learn about the field, how to successfully apply, and how to thrive while completing doctoral work. *The Portable Mentor* is a useful, must-have resource for all students interested in psychology. This third edition is updated and expanded, designed to address students' and trainees' need for open dialogue and mentorship. Throughout, it covers some of the common challenges graduates face and features discussions about how to celebrate your identity and find a rewarding, worthwhile career path. It comprises thirty chapters written by more than seventy of the field's top experts, successfully filling a void in professional development advice. This title is also available as Open Access on Cambridge Core.

Mitchell J. Prinstein, PhD, ABPP, is the Chief Science Officer of the American Psychological Association and the John Van Seters Distinguished Professor of Psychology and Neuroscience at the University of North Carolina at Chapel Hill, USA. He has published over 180 peer-reviewed papers and nine books. His work has included serving as a journal editor, president of professional societies, and working extensively with the media.

The Portable Mentor

EXPERT GUIDE TO A SUCCESSFUL CAREER IN PSYCHOLOGY
