

DR. AUGUSTE MOTET.

We regret to have to record the death of Dr. Motet, he having been an Honorary Member of the Association since 1880. Dr. Motet's distinguished career has been widely recognised in this country. He was a member of the Academy of Medicine, and was twice elected President of the Medico-Psychological Society of Paris. Dr. Motet was one of the leading physicians consulted in medico-legal cases. He had the misfortune to lose his daughter some years ago, a bereavement which gravely affected him, and his death was not unexpected, for he has been seriously ill for the last fifteen months. In consequence he had resigned the active duties of his profession. Dr. Motet attained the age of seventy-six years, and died on the 14th of March, 1909.
