# Perspectives on Politics

Published for the American Political Science Association

## Editor

Jeffrey C. Isaac, *Indiana University, USA*

*Perspectives on Politics* seeks to provide a space for broad and synthetic discussion within the political science profession and between the profession and the broader scholarly and reading publics. Such discussion necessarily draws on and contributes to the scholarship published in the more specialized journals that dominate our discipline. At the same time, *Perspectives* seeks to promote a complementary form of broad public discussion and synergistic understanding within the profession that is essential to advancing research and promoting scholarly community.

*Perspectives* seeks to nurture a political science public sphere, publicizing important scholarly topics, ideas, and innovations, linking scholarly authors and readers, and promoting broad reflexive discussion among political scientists about the work that we do and why this work matters.

*Perspectives on Politics* is sold ONLY as part of a joint subscription with *American Political Science Review* and *PS: Political Science & Politics*.

# Ethics & International Affairs

Published for the Carnegie Council for Ethics in International Affairs

## Editor-in-Chief

Joel H. Rosenthal, *Carnegie Council for Ethics in International Affairs*

The aim of *Ethics & International Affairs*, the journal of the Carnegie Council, is to help close the gap between theory and practice (and between theorists and practitioners) by publishing original essays that integrate rigorous thinking about principles of justice and morality into discussions of practical dilemmas related to current policy developments, global institutional arrangements, and the conduct of important international actors. Theoretical discussions that originate in philosophy, religion, or the social sciences should connect with the interests of journalists, activists, policy-makers, and citizens who are primarily concerned with assessing and reforming specific policies, as well as existing rules and institutions such as the United Nations, the World Bank, and the International Monetary Fund; arrangements governing trade, environmental protection, and the use of force; and the International Criminal Court and ad hoc tribunals that address genocide and past societal injustices.

## Notes to Contributors / Avis aux collaborateurs

---

Authors are requested to submit an electronic version of their manuscript, including an abstract of 100 words, in MS Word or RTF, to the JOURNAL's manuscript tracking system at <http://www.editorialmanager.com/cjps-rcsp>. Manuscripts should be submitted as a single electronic file and be no longer than 8,000 words (all material included) in 12-point type. Book reviewers are asked to ensure reviews do not exceed an 850 word cap. We also encourage an engagement with the key theoretical, methodological and ideological approaches used by book author(s) where this is appropriate rather than a purely descriptive overview. The Journal follows an "in-text" citation style. All material including endnotes and references must be double-spaced. In preparing a manuscript for consideration by the Editorial Board, authors should follow the JOURNAL's style sheet which can be found at the same webpage. Otherwise, the most recent issue of the JOURNAL can serve as a style guide. Manuscripts will not be returned.

Les auteurs doivent faire parvenir par la poste une copie de leur texte accompagnée d'un résumé de 100 mots. Le texte doit également être fourni en MS Word ou RTF, soit sur une disquette envoyée par la poste, soit sous la forme d'un fichier joint envoyé par courriel. Les manuscrits ne doivent pas dépasser 8 000 mots, dactylographiés à double interligne (y compris les notes, les références et les tableaux) dans un format typographique de 12 points. Critiques littéraires sont invités à assurer avis ne dépassent pas un plafond 850 mots. Nous encourageons également un engagement avec les principales approches théoriques, méthodologiques et idéologiques utilisés par l'auteur du livre(s) lorsque cela est approprié que le survol purement descriptive. Les tableaux et les graphiques doivent être soumis sur des pages séparées. Avant de soumettre un manuscrit, les auteurs doivent s'assurer que le protocole de rédaction de la REVUE est respecté. Ce protocole peut leur être envoyé sur demande ou ils peuvent s'inspirer à cet égard du dernier numéro de la REVUE. Les manuscrits ne sont pas retournés aux auteurs.

**The Editorial Board considers manuscripts on an exclusive basis only; that is, a manuscript submitted for consideration must not have been previously published, nor be under consideration, nor accepted for publication, elsewhere. The Board may judge manuscripts unsuitable if they are too narrow or specialized for an omnibus political science journal.**

**Le comité de rédaction considère que les manuscrits lui sont soumis en exclusivité; c'est-à-dire qu'un manuscrit soumis ne doit pas avoir déjà été publié, soumis ou accepté pour publication dans une autre revue. Le comité peut considérer inadmissibles des manuscrits portant sur des sujets trop spécialisés ou trop étroits.**
