THE TORCH

is the symbol of truth with which St Dominic
burned out the Albigenian errors.

Heresies still burn up good Dominicans—or *vice-versa*. That's why **THE TORCH** (the official magazine of the Third Order of St Dominic in the United States) wages war against the modern errors in a gamut of articles that is accurately described as 'From Summa to Saucepan'. Solid doctrine is made readable and practicable for you students, workers, teachers, and lay apostles—married or single, in such controversial articles as: **TV or Not TV: Advertising and the Christian and Mediocrity in Modern Women**; in such theological writings as: **Truth for Tertiaries** and **Spirituality for Children**. In its pages will be found many fine book reviews as well.

THE TORCH is a paper pulpit from which Dominicans, secular and religious, are still preaching the TRUTH. But what good is a preacher without an audience?—Needless to say, we welcome your subscriptions.

The work of the Mill Hill Fathers in Africa, India, the Far East and New Zealand, has this one aim. You can work with them for the spread of the Church by fostering vocations to the missionary priesthood.
