## History Examiner positions now available

IB history provides both structure and flexibility, fostering an understanding of major historical events in a global context. It invites comparisons between, but not judgments of, different cultures, political systems and national traditions.

IB Examiners assess the work of students from 138 countries. They play an important role in maintaining the quality of assessment for which the International Baccalaureate is known worldwide.

# Journal of Global History

Published for London School of Economics and  
Political Science

**Chief Editor**

William Gervase Clarence-Smith, *SOAS, London, UK*

**Editor**

Kenneth Pomeranz, *University of California, USA*

*Journal of Global History* addresses the main problems of global change over time, together with the diverse histories of globalization. It also examines counter-currents to globalization, including those that have structured other spatial units. The journal seeks to transcend the dichotomy between 'the West and the rest', straddle traditional regional boundaries, relate material to cultural and political history, and overcome thematic fragmentation in historiography. The journal also acts as a forum for interdisciplinary conversations across a wide variety of social and natural sciences.
