Stanford Slavic Studies

The Russian Far East

A History

John J. Stephan

Based on a quarter-century of research by a leading authority on the area, this is a monumental survey from prehistoric times to the present. Drawing from political, diplomatic, economic, geographical, social, and cultural evidence, the book reveals that this vast, rugged, and supposedly insular land has harbored vibrantly cosmopolitan lifestyles.

\$45.00 cloth

Inventing Eastern Europe

The Map of Civilization on the Mind of the Enlightenment

Larry Wolff

In this provocative, wide-ranging history of how the continent of Europe came to be conceived as divided into "Western Europe" and "Eastern Europe," the author shows that it was a work of cultural creation, of intellectual artifice, of ideological self-interest and self-promotion.

\$49.50 cloth

Marxism and the Leap to the Kingdom of Freedom

The Rise and Fall of the Communist Utopia

Andrzej Walicki

This book reconstructs Marx and Engels's theory of freedom, highlights its centrality to their vision of the communist society of the future, traces its development in the history of Marxist thought and explains how it was transformed into a legitimization of totalitarian practices.

\$65.00 cloth

Pushkin and Romantic Fashion

Fragment, Elegy, Orient, Irony

Stalin and the Bomb

The Soviet Union and Atomic Energy, 1939-1956

David Holloway

A distinguished authority tells the spellbinding story of the people and politics behind the development of the Soviet atom bomb.

"A superb history...[that gives] fresh insights into the cold war and, even more, into the conditions of intellectual life in Stalin's Russia. This study is a work on the largest scale, one that advances our understanding and is likely to remain definitive for years to come."—Priscilla Johnson McMillan, *The New York Times Book Review* (front page) 55 illus \$30.00

Reptile Journalism

The Official Polish-Language Press under the Nazis, 1939-1945

Lucjan Dobroszycki

Written by the editor of the critically acclaimed *Chronicle of the Łódz Ghetto*, this important book "is a sensitive scrutiny of the web of relationships between the conqueror and the subjugated."—Tadeusz Swietochowski *Polish Review* (on the German edition) \$22.50

Memoirs of a Warsaw Ghetto Fighter

The Past Within Me

Simha Rotem (Kazik)

Translated from the Hebrew and edited by Barbara Harshav

A powerful and suspenseful memoir by one of the leaders of the Warsaw Ghetto Uprising.

"A haunting and intimate account of the war years by one of the great heroes."—Debórah Dwork \$18.50

Narrative and Freedom

The Shadows of Time

Gary Saul Morson

"A work of major importance that ought to engage the attention of a broad audience of intellectual readers."—Robert Alter

A leading literary theorist presents a major philosophical statement about the meaning of literature and the shape of literary texts. Drawing on works by the Russian writers Dostoevsky, Tolstoy, and Chekhov, and by other diverse writers and thinkers, Morson examines the relation of time to narrative form and to an ethical dimension of the literary experience. \$30.00

The Baltic Revolution

Estonia, Latvia, Lithuania and the Path to Independence

Anatol Lieven

Lieven presents a portrait of the history and culture of the Baltic states from their ancient origins to their contemporary status. This new edition has been revised to take account of events though spring 1994, including the Russian election of December 1993 and the rise of Vladimir Zhirinovskiy and the nationalist extremists.

"An intelligent, perceptive, and solidly informative guide to recent Baltic history."—Czeslaw Milosz, *The New York Review of Books* 20 illus. new in paperbound \$15.00

LITERATURE

RUSSIAN SYMBOLISM AND LITERARY TRADITION

GOETHE, NOVALIS,
AND THE POETICS OF
VYACHESLAV IVANOV

Michael Wachtel

Russian poet and theorist Vyacheslav Ivanov articulated a highly influential concept of Symbolism that relied heavily on German models. Exploring the particulars of Ivanov's reception of the Germans, Michael Wachtel elucidates the general tenets and characteristics of the Symbolist movement.

"Through assiduous research, including the archives of Moscow, St. Petersburg, Rome, Munich, Berlin, and Marbach and by deftly combining the latest tools of literary theory and biography with those of poetics, Wachtel has been able to reveal new meanings and stylistic characteristics in Ivanov's poetic practice. This work will be of interest to Slavists, Germanists, and comparatists, and to scholars studying literary theory and history of poetics."

—André Von Gronicka,
University of Pennsylvania

Odnodnevnye gazety SSSR 1917-1983

**The One-Day Newspaper Collection
of the Saltykov-Shchedrin State Public Library
(National Library of Russia), St. Petersburg
on 35mm microfilm with a 3-volume printed guide**

The One-Day Newspaper Collection of the Saltykov-Shchedrin State Public Library may very well be the only significant collection of its kind in the former Soviet Union; it is certainly the largest, with more than 6400 titles. This is the first time that such a collection has been catalogued and indexed in a comprehensive fashion.

The One-Day Newspaper Collection consists of newspapers that had unusually short runs, published in the period between the first year of the Russian Revolution and the start of the Gorbachev era. They are an invaluable tool for scholars engaged in the study of modern Russian history, and especially its early period, since a substantial portion of the collection comprises titles issued between 1920 and 1936.

Varying circumstances account for the brief life span of the newspapers. Some titles were only intended to appear once, while others appeared to be journalistic ventures that collapsed soon after the first issue. Many of the newspapers had titles with distinctly Bolshevik overtones, while others detailed specific social problems that the new Soviet government had to cope with.

"Norman Ross Publishing is to be congratulated for putting out this wonderful collection of 'one day' newspapers in a microfilm edition."

Common Places

Mythologies of Everyday Life in Russia
SVETLANA BOYM

Nearly all who write big books on Russian life confess their failure to get properly inside Russia, to understand its "doublespeak." Svetlana Boym however, is a unique guide. A member of the last Soviet Generation, the Russian equivalent of our Generation X, she grew up in Leningrad and has lived in the West for the past thirteen years. Her book provides a view of Russia that is historically informed and replete with unexpected detail. Alternating analysis with personal accounts of Russian life, Boym conveys the foreignness of Russia and examines peculiar conceptions of private life and common good, of Culture and Trash, of sincerity and banality.

\$49.95 cloth/\$22.95 paper

Eternal Russia

Yeltsin, Gorbachev, and the
Mirage of Democracy
JONATHAN STEELE

"*Eternal Russia* has a powerful title conveying a profound truism. More importantly, it is an excellent book rooted in history while covering thoroughly the drama of events after 1987."

—David Owen, *Sunday Times* (London)

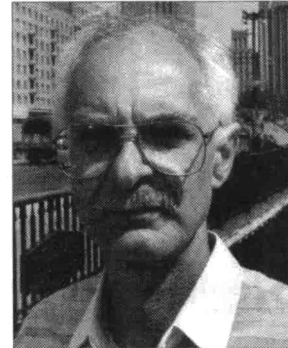

"[Steele's] accounts of Russian coups, aborted or not, and other convulsions are admirably clear and thrilling."

—Colin Welch, *The London Times*

"Amid the Stygian pessimism, half-baked advice, half-understood facts, and confused thinking that informs much Western comment on 'Zhirinovskiy's Russia,' Jonathan Steele's book stands out. He does not treat Russia as if it were a mysterious planet inhabited by little green men. He has lived there."

—Rodric Braithwaite, *The Guardian*

Scenarios of Power: Myth and Ceremony in Russian Monarchy

Volume One: From Peter the Great
to the Death of Nicholas I

Richard S. Wortman

This is the first scholarly study of the principal myths, symbols, and rituals of Russian monarchy. Focusing on the period from the reign of Peter the Great to the death of Nicholas I, Richard Wortman shows how the presentations and representations of the Russian ruler played a central role in the exercise of monarchical power.

"This is a bold, original, passionate book. . . . [It] will be a classic in the field."

—Laura Engelstein, Princeton University

Cloth: \$49.50 ISBN 0-691-03484-2

Osip Mandelstam and the Modernist Creation of Tradition

Clare Cavanagh

Clare Cavanagh places Mandelstam's "remembrance and invention" of a usable poetic past in the context of modernist writing in general, with particular attention to the work of T. S. Eliot and Ezra Pound. Her study shows how the poet addressed his epoch's paradoxical legacy of disinheritance—and how he responded to this legacy with one of modernism's most complex, ambitious, and challenging visions of tradition.

"[Cavanagh] has produced a book that places her in that rare category to which all Slavists—and many Russians too—aspire: author of an in-depth study of Russian material, but angled toward the outside world in such a way that what 'insiders' have long loved becomes an irresistible part of cultural languages the rest of the world can understand."

—Caryl Emerson, Princeton University

Cloth: \$39.50 ISBN 0-691-03682-9

Democracy from Scratch

Opposition and
Regime in the New
Russian Revolution

M. Steven Fish

This book presents a fresh view of Russian political change in the Gorbachev and early post-Soviet periods by investigating the autonomous political organizations that responded to liberalization. Extensive study of these political groups has led M. Steven Fish to conclude that they were shaped to a far greater degree by the nature of the Soviet state than by socioeconomic modernization, political culture, native psychology, or Russian historical tradition.

"*Democracy from Scratch* is an excellent comparative political study and the best book on post-communist Russian politics that I have read. It will doubtless become a standard in the field."

—Michael Urban, University of California, Santa Cruz

Cloth: \$39.50 ISBN 0-691-03703-5

TO THOSE WISHING TO SUBMIT MANUSCRIPTS

Manuscripts for consideration should be submitted by post or courier service in four double-spaced typed copies. (If computer generated, they should be letter quality or near letter quality. Continuous form sheets must be separated.) Notes and block quotations should be double-spaced; notes should be placed at the end of the manuscript and not at the bottoms of pages. Library of Congress transliteration for quotations for fewer than 50 words and the *Chicago Manual of Style* are to be followed. In general, articles should not exceed 30 typed pages 8½" by 11" in dimension—including endnotes.

Manuscripts are sent to outside readers in anonymous form and should be prepared accordingly.

The policy of *Slavic Review* is not to consider materials that have been published or that are being considered for publication elsewhere.

Publication of articles in *Slavic Review* is ordinarily limited to those submitted by members of AAASS. Nonmembers wishing to submit manuscripts will be sent a membership application; please see the inside front cover for information on membership.

COLLECTED STORIES

Isaac Babel

Edited, Translated, and with an Introduction by David McDuff

From such early tales as "Old Shloyme" and "Childhood with Grandmother," which affirm his Russian-Jewish childhood, to the relatively non-Jewish world of his collection of stories *Red Cavalry*, Babel's work is infused with a powerful energy. 400 pp.

A Penguin Twentieth-Century Classic
