Conditions and Copyright

Responsibility for the contents of papers rests upon the authors, and not upon the Association or the Publisher.

It is a condition of publication that manuscripts submitted to this journal have not been published and will not be simultaneously submitted or published elsewhere. By submitting a manuscript, the authors agree that the copyright for their article is transferred to the Publisher if and when the article is accepted for publication. However, assignment of copyright is not required from authors who work for organisations that do not permit such assignment. The copyright covers the exclusive rights to reproduce and

distribute the article, including reprints, photographic reductions, microfilm or any other reproductions of similar nature and translations. No part of this publication may be reproduced, stored in a retrieval system or transmitted in any form or by any means, electronic, electrostatic, magnetic tape, mechanical, photocopying, recording or otherwise, without permission in writing from the copyright holder.

Australian Association for Cognitive and Behaviour Therapy

Formerly the Australian Behaviour Modification Association (ABMA)

AIMS

The Australian Association for Cognitive and Behaviour Therapy (AACBT) is a multidisciplinary professional society. The aims of the Association are:

1. To organise continuing education and training in the principles and practice of Cognitive and Behaviour Therapy;
2. To publish and disseminate information to members about developments in Cognitive and Behaviour Therapy in Australia and other countries;
3. To educate the community in the principles and ethical practice of Cognitive and Behaviour Therapy;
4. To liaise and consult with other persons or organisations in the teaching and practice of Cognitive and Behaviour Therapy;
5. To promote the ethical practice of Cognitive and Behaviour Therapy by members;
6. To organise or assist in the organisation of an annual National Conference on Cognitive and Behaviour Therapy.

Journals from **SAGE**

JOURNAL OF HEALTH PSYCHOLOGY

An Interdisciplinary, International Journal

Edited by **David Marks** *Health Research Centre,
Middlesex University*

The *Journal of Health Psychology* encourages the development of sound theoretical analysis in health psychology, publishing research that comes out of the best empirical traditions of rigorous psychological methodology.

Contents include:

- ▶ Can Childhood Behavioural Characteristics Predict Adolescent Boys' Health? **Patricia L. Dobkin et al**
- ▶ Marriage, Intimate Support and Depression during Pregnancy **Robert W. Gallagher et al**
- ▶ Perception of the Combined Effects of Smoking and Alcohol on Cancer Risks in Never Smokers and Heavy Smokers **Danièle Hermand et al**
- ▶ The Role of Dietary Restraint in the Relationship between Body Dissatisfaction and Psychological Well-being **Marika Tiggemann**
- ▶ The Physical, Psychological and Social Impact of Psoriasis **Stephen R. Rapp et al**
- ▶ Identity and Meaning in the Experience of Cancer **Sharon Shapiro, Lynne Angus and Christine Davis**

Published quarterly • ISSN: 1359-1053

Volumes 1-2 are still available. For further details contact the Journals Marketing Department at the address below.
