

Announcement

THE RANK PRIZE FUNDS

Vacation Studentships

As a pilot scheme, The Rank Prize Funds will be offering a small number of vacation studentships commencing in the Summer of 1996. A total grant of £1,200 per student (£150 per week for 8 weeks) will be available for students helping with research projects in the fields of human nutrition, animal nutrition and crop husbandry. Supervisors only should apply to the Funds' Office at 12 Warwick Square, London, SW1V 2AA for further information.

Second Announcement

TEMA-9

Ninth International Symposium on Trace Elements in Man and Animals

Venue: Banff, Alberta, Canada

Date: 19 - 24 May 1996

The aims of the symposium are: (1) to provide a forum at which recent progress in studies on the metabolism and functional roles of trace elements could be discussed and (2) to provide an opportunity for an exchange of ideas between workers investigating these fundamental aspects of the biological function of trace elements and those whose task it is to apply their findings in the field of nutrition, human or veterinary medicine, agriculture, biology, ecology and protection of the environment.

The symposium program will comprise oral presentations, poster sessions, scientific sessions and workshops.
