*Weed Technology* published quarterly beginning each January–March issue, is included along with *Weed Science* and *WSSA Newsletter* to Weed Science Society of America (WSSA) members. Annual membership costs \$60 with \$20 student affiliate memberships on a calendar year basis only.

*Weed Technology*, subscriptions are \$60 per year (four issues per volume). New subscriptions begin with the January–March issue. Subscribers, including libraries and institutions, can obtain both *Weed Science* (volume of four issues per year) and *Weed Technology* for \$100 annually.

Changes of mailing address, inquiries about copies lost in the mail, and requests for back issues and for information about placing advertisements and about receiving journals, membership and subscriptions should be sent to WSSA, 309 W. Clark St., Champaign, IL 61820. Send dues by December 1 each year. Claims for copies lost in the mail must be received within 30 days (90 days foreign) of the issue date to insure replacement at no charge.

Send manuscripts to Chester L. Foy, Editor, *Weed Technology*, Dept. of Plant Pathology, Physiology, and Weed Science, Virginia Polytech. Institute & State Univ., 503 Price Hall, Blacksburg, VA 24061-0331. Authors are charged \$50 per page (non-members \$100) to cover a portion of publication costs. The Editor can exempt page charges in advance when justified.

Edited by Giles Ivens *c/o Blackwell Scientific Publications, 23 Ainslie Place,  
Edinburgh EH3 6AJ, UK*

**Weed Research** is an international journal which publishes papers on all aspects of weeds, their control and related topics. The coverage includes:

- the biology of weeds;
- interactions between weed and crop plants;
- herbicides - their application, formulation, metabolism, mode of action, field performance and environmental fate;
- biological and other control methods;
- agricultural and ecological consequences of weed control practices.

**Weed Research** is the official journal of the European Weed Research Society but authors do not have to be members of the society and papers reporting work done outside Europe, including tropical and subtropical regions, are welcomed. Papers are published in English, French and German with summaries in all three languages.

#### Subscription Information

**Weed Research** is published bi-monthly. Subscription rates for 1992 are £110.00 (UK), £115.00 (overseas) and US\$195.00 (USA & Canada) post free.
