Standing Orders... *running problem?*

Keeping pace with exhibition catalogues from a variety of venues, keeping up-to-date with an assortment of annuals and directories; all this takes time and manpower. But there's an alternative – get Arts Bibliographic to do the job for you.

We offer a long list of galleries and annuals, but a list that has been put together from experience of dealing with the publishers concerned. We can provide budget costings based on last year's experience. And we'll supply standing orders on the same terms as all your other orders. But the benefits don't stop there:

- Your life is made simpler by being centred on one supplier; removing the need to maintain a plethora of individual items and sources.
- Centralisation means we can prevent you receiving multiple copies of catalogues to touring exhibitions.
- On the other hand, we will ensure you do get the catalogue to a show when the gallery concerned is not the actual publisher.

For current information on our growing Standing Order list please phone, fax or write to:
