Paul and the Anatomy of Apostolic Authority

JOHN HOWARD SCHÜTZ

This book is an investigation of the nature of the 'authority' of an early Christian apostle as this concept was understood by Paul and communicated in his letters. What kind of authority did Paul think an apostle had? Where did it come from? How likely was it to be repeated at a later time in another person and another setting?

Jesus of Nazareth in New Testament Teaching

G. N. STANTON

This book argues that an account of the life and character of Jesus formed an integral part of the early church's preaching. Against many modern scholars, Dr Stanton seeks to show that interest in the life of Jesus was not a late development within primitive Christianity.
