LATIN GRAMMAR

Grammar, Vocabularies and Exercises
in Preparation for the Reading of the
Missal and Breviary

By

C. C. SCANLON, A.M., and C. L. SCANLON, A.M.

This Latin grammar is intended for students who are entering seminaries or religious novitiates without previous study of Latin, for Sisters in communities that recite the breviary, and for the growing number of lay people who use the Roman missal and the Roman breviary. The Latin-English vocabulary at the end of the book includes all the words of the Roman missal and Roman breviary.

'There are many excellent features . . . the key to pronunciation is unambiguous, the arrangement of lessons is masterly, the appendix is sufficient and exact, and the vocabulary gives modern rather than Elizabethan English equivalents.'—*Dominicana*.

SECOND LATIN

By

C. C. SCANLON, A.M., and C. L. SCANLON, A.M.

This text presupposes the study of the authors' *Latin Grammar* (above) and is intended for students who must be prepared to read intelligently Latin textbooks of philosophy, theology, and canon law. All of the material in it has been selected by the authors with this practical purpose in mind. The first half of the book is based on philosophical texts; the second half is drawn from works of theology and from the Code of Canon Law. A vocabulary of three thousand words at the end of the volume serves the purpose of a concise dictionary.

'Arranged in accordance with sound pedagogical principles, clear and comprehensive, this book is well within the capacity of any serious-minded student. . . . Every essential grammatical point for an intelligent reading of the missal and breviary is covered.'—*Catholic World*.
