The JOURNAL of the
COLLEGE THEOLOGY SOCIETY

CAMBRIDGE
UNIVERSITY PRESS

Horizons: The Journal of the College Theology Society publishes award-winning peer-reviewed articles, roundtables, and book reviews across a wide range of topics in theology and religious studies. While rooted in a commitment to the long and deep Catholic tradition of "faith seeking understanding," that commitment also welcomes all original scholarship in theology and religious studies that contributes to its basic constructive focus. It is unique in content with its ecumenical view, wide range of methods and topics, and insightful analysis of belief interacting with culture. *Horizons* publishes work by college and university professors with both active research profiles and teaching experience, such that its articles will appeal to those working in these contexts as well as seminarians, students, and the interested lay reader.

the American Political Science Association

Editor

Jill A. Irvine, *University of Oklahoma, USA*
Cindy Simon Rosenthal, *University of Oklahoma, USA*

Politics & Gender is an agenda-setting journal that publishes the highest quality scholarship on gender and politics and on women and politics. It aims to represent the full range of questions, issues, and approaches concerning gender and women across the major subfields of political science, including comparative politics, international relations, political theory, and U.S. politics. The Editor welcomes studies that address fundamental questions about women in politics and political science from the perspective of gender, as well as those that interrogate and challenge standard theoretical approaches, methodologies, and analytical categories.
