ANNUAL MEETING - AUGUST 28 - 31, 1997

PROPOSAL DEADLINE - NOVEMBER 15, 1996

INDIVIDUAL PAPER PROPOSAL

Individual paper proposals are invited from senior scholars, recent Ph.D.s and advanced graduate students. Panels composed of individual papers are organized by the Program Division chairs and will be arranged around common themes. *Do not submit a proposal for an individual paper if you are included in a full panel proposal.*

1) _____

2) _____

4. PH.D. DEGREE RECEIVED IN 19 _____ **FROM** _____

5. AUDIOVISUAL EQUIPMENT NEEDED

6. POSTER PRESENTATION: CHECK IF PREFERRED

A poster session is a period of 1 hour and 45 minutes in a room filled with a number of bulletin boards, each big enough for several sheets of typing paper or the equivalent. Presenters put up their materials - a full paper, an outline, tables, graphs, pictures, etc. - and stand next to their posters to talk with interested parties. Poster sessions are organized by general theme, and may consist of over 100 presenters.
