

NOTICE TO AUTHORS

Papers and short notes from contributors anywhere in the world are welcome, and may be on any aspect of lichenology. They should be sent to the Editor. They must be typewritten in double or treble spacing, and a summary should generally be included. Illustrations should be in black ink on white paper, preferably Bristol board.

In taxonomic papers dealing with a series of species it is convenient either to present them alphabetically or to number them serially in their genera.

Localities in Britain should, unless there is good reason to the contrary, follow the spelling given on the latest editions of the maps published by the Ordnance Survey. Localities abroad should follow the spelling in *The Times Atlas of the World*.

The citation of references should be based on the *International Code of Botanical Nomenclature 1966: 73-75*.

Titles of periodicals should be abbreviated as in the latest edition of the *World List of Scientific Periodicals*. Titles of books should be given in full at the end of papers but may be judiciously abbreviated in lists of synonyms. Editions other than the first should be indicated.

EXAMPLES:

In text: Watson (1932), (Watson, 1932), or Watson (1932, p. 292).

In the list at end of paper: Watson, W. (1932). The bryophytes and lichens of moorland. *J. Ecol.* 20: 284-313.

Or if a book: Crombie, J. M. (1894). *A Monograph of Lichens Found in Britain*. London.

In list of synonyms: *Candelariella xanthostigma* (Ach.) Lett. in *Hedwigia* 52: 196 (1912).

Or if a book: *Pyrenotea lutea* Leight., *British Species of Angiocarpous Lichens*: 68, *tab.* 29, *fig.* 4 (1851).

Twenty-five reprints of original articles are supplied free. More may be purchased, as may reprints of other contributions such as book reviews. Reprints *must* be ordered when the author returns the final proofs of his article.

MEMBERSHIP

Membership of the British Lichen Society is open to all persons interested in lichenology. Subscriptions, due on joining and thence on 1 January each year, are: ordinary members, £2; junior members, £1; family members, 5s. Details of membership and application forms may be obtained from the Secretary, Mr J. R. Laundon, Department of Botany, British Museum (Natural History), Cromwell Road, London, S.W.7.

Referees

The function of referees, whose names appear inside the front cover, is to assist members in the identification of lichens. Specimens submitted should be adequate in size and well documented, including details of country, county or vice-county, borough or parish, precise locality and grid reference, altitude, date, habitat and ecology, notes, name of collector and collecting number. Identification should be attempted before sending the specimens to a referee and details of spores and chemical reactions should be included where appropriate. Return postage should be enclosed.
