

CALL FOR PAPERS AND PARTICIPANTS

**1986 Annual Meetings of the Western Finance Association
June 18-21, 1986
The Antlers in Colorado Springs, Colorado**

Members and friends of the Western Finance Association are invited to submit papers to be considered for presentation at the 1985 Annual Meetings. Papers on any topic related to financial economics will be considered.

Submission of Papers

Send four copies of the paper to the program chairman no later than November 25, 1985. While we prefer a completed paper, in its absence we will consider a lengthy and detailed abstract. After the papers are reviewed, the authors will be notified in January, 1986, of the program committee's decision. Please attach a separate sheet indicating the author's name(s), affiliation(s), the title of the paper, and whether you would be willing to serve as a discussant or as a session chairman. All completed papers received will be considered for publication in the December issue of the *Journal of Financial and Quantitative Analysis*.

Other Participants

Individuals willing to serve as session chairmen or as discussants should write directly to the program chairman indicating their fields of interest.

Awards

This announcement is also a call for student papers to be considered for the Annual Trefftz Award. This award consists of \$500 and possible publication in the *Journal of Financial and Quantitative Analysis*. These papers should also be sent to the program chairman, with a cover letter indicating that they are student papers and should be considered for the Trefftz Award. The American Association of Individual Investors offers a \$1000 prize to the best paper in the field of investments. The winning paper must be considered for publication in the *Journal of Financial and Quantitative Analysis*. Authors should indicate whether they wish to compete for this prize.

To be considered for the program, all papers should be sent by November 25, 1985 to:

Professor Gerald O. Bierwag
Program Chairman, WFA
Department of Finance
College of Business and Public Administration
University of Arizona
Tucson, AZ 85721

Positions in Finance and Business Economics University of Washington

The Department of Finance, Business Economics and Quantitative Methods is seeking to hire qualified candidates for one or more Assistant Professor positions in Finance and/or Business Economics. We are looking for a person with the capability and desire to engage in original research in business finance, investments, options and futures markets, international finance, or financial markets. Duties for all positions include both teaching (graduate and undergraduate classes) and research in Finance and/or Business Economics. Candidates must have or be completing a Ph.D. or DBA degree. The preferred starting time is Autumn Quarter 1986.

The University of Washington offers an excellent environment for younger faculty. We have a very strong research-oriented faculty who can provide stimulation and encouragement to individuals who are just establishing their careers. In addition, our close ties with the Economics and Accounting Departments offer faculty members rewarding opportunities for interdisciplinary research projects.

As an equal opportunity employer, the department is especially interested in making the availability of these positions known to minorities and women. Candidates should send, no later than August 15, 1985, a cover letter indicating research and teaching interests, a vita, a summary of courses taken, the names of four references, and any available examples of recent research to:

Professor Peter A. Frost, Chairman
Department of Finance, Business Economics and
Quantitative Methods
School of Business Administration DJ-10
