MY WAY OF LIFE

*Pocket Edition of St. Thomas
The Summa Simplified for Everyone*

By WALTER FARRELL, O.P. and M. J. HEALY, S.T.D.

Here for the first time is presented the masterpiece of St. Thomas—the *Summa Theologica*—in a pocket edition. This vast summary of Thomistic teaching which deals with every worthwhile truth from A to Z, from the attributes of God to the zeal of man, has been distilled into this little volume. It is, in truth, a miniature and simple *Summa* for everyman. Imitation leather 10s 6d

THE THEOLOGY OF RELIGIOUS VOCATION

By EDWARD FARRELL, O.P.

“With his thorough knowledge of scholastic philosophy, the author presents here as complete a guide as seems possible for judging religious vocations. This problem, analysis-defying at best, is a great one calling for the treatment of a specialist such as Fr. Farrell and demanding the spiritual acumen of one who is as practical as he. This book should be a valuable aid to directors, and an immense help to the young themselves.” *Ave Maria* 26s

THE SPIRITUALITY OF THE MASS

In the Light of Thomistic Theology

By A. D. FRENAY, O.P.

“It is interesting and informative, a splendid contribution to contemporary literature on the Mass. It is to be recommended for all the clergy.” *Homiletic & Pastoral Review*

“Priests will derive much assistance from the book.”

READINGS FROM THE LIFE OF THE SPIRIT

THE CHRISTIAN VISION

The first numbers of *The Life of the Spirit* appeared in 1946 as a supplement to *Blackfriars*. In the following year *The Life of the Spirit* appeared for the first time as a separate monthly, but it is to celebrate the tenth anniversary of its original foundation that this anthology is published. During the last decade *The Life of the Spirit* has become well known as the only journal published in this country wholly concerned with the spiritual life, and many of the contributions which have appeared are worthy of a greater permanence. Here is a rich selection of the best articles—biblical, liturgical and mystical; articles on the religious life; articles on the lay life; texts from the Fathers; articles on saints and saintly people, etc.

'... *The Life of the Spirit* is one of the best of English Catholic reviews for it helps to remove us from the clamour of everyday living and prepares our mind and heart for those things which are eternal. So many good, and in some cases even some really great, writings have appeared in *The Life* in the first ten years of its existence that it is no matter for surprise that the publishers should now decide to publish a series of readings drawn from the whole range of the first ten volumes. The editor has done her work admirably and here we have a rich and varied selection of spiritual writings, a veritable bedside book of inspiration, wisdom and consolation.'

THE PRIEST OF THE PEOPLE

Originally published as a Double Number of *The Life of the Spirit*, we are now, in response to many requests, re-publishing this most valuable symposium on the spirituality of the priesthood in a more permanent form.

'This paper-covered booklet of 95 pages is more important than its size, format, even its price, might suggest. It is a reprint of a double number of *The Life of the Spirit* published in 1951, consisting of seven papers: The Priesthood and Contemplation, The Unchanging Priesthood, Ecclesiastical Obedience, Saying Mass with Devotion, The Sinner, Martyr of Charity, and The Mother of the Priest.'

RELIGIOUS LIFE

THE DOCTRINAL INSTRUCTION OF RELIGIOUS SISTERS

The Doctrinal Instruction of Religious Sisters is the sixth volume in the series *Problèmes de la religieuse d'aujourd'hui* published as a result of a number of conferences in Paris convened for the assistance of religious. The present work considers the position of women in the modern world of today and the consequent need of certain adaptations in the matters of studies among religious Sisters. Among the questions dealt with are the degree and condition of studies of theology in women's religious life, the lead given by the present Holy Father, and the problem of study among enclosed contemplatives. 13s. 6d.

Other titles in the series:

POVERTY 15s.

CHASTITY 16s.

VOCATION 10s. 6d.

OBEDIENCE (*Reprinting*) 16s. 6d.

RELIGIOUS SISTERS (*Reprinting*) 18s.

This series is the result of a number of conferences held in Paris for the assistance of religious, to whose attention it is most strongly recommended. Superiors, spiritual directors, novice masters and mistresses, and procurators will especially benefit by careful study of these volumes.
