

CAEP/ACMU 2019 Scientific Abstracts

Keyword Index

<u>KEYWORD</u>	<u>ABSTRACT No.</u>				
A		cannabis	LO28, MP54, P128	crowding	LO74, LO79
abdominal pain	LO36	cardiac arrest	LO08, LO42, MP50, P083, P104, P111	CT scan	P088
abscess	MP53	cardiac glycosides	P036	CTAS	P094
acceptability	MP35	cardiac rhythm	LO06, LO09	curriculum	P117
access block	LO79	cardiopulmonary resuscitation	LO07	curriculum assessment	LO60
acute aortic syndrome	LO04, P096	cardioversion	PL02	curriculum development	LO43
acute coronary syndrome	LO64, MP46	care process	P147		
acute deteriorations	P027	cerebrovascular accident	LO51	D	
acute myocardial infarction	MP49, MP52	cervical spine	LO71	decision aid	LO50
acute stress	LO56	change management	P125	decision making	LO23
addiction	MP01	chart review	P063	decision-making	P148
addiction medicine	P063	checklist	P017	defibrillation	LO08
administration	P130	chest pain	LO03, LO64, LO82, MP14	delay	P141
admission	P073	chest tube	MP27	deliberate practice	MP09, MP17
admission delay	LO74	children	P102	delirium	LO14, LO70, MP33
adult protection	P071	Choosing Wisely	LO88	delirium prevention	P044
adverse events	MP36	chronic obstructive pulmonary disease	MP38	dexmedetomidine	LO62
agonal breathing	MP50	chronic pain	P029, P097	diagnosis	LO22, MP40
alcohol use disorder	P031	cigarette smoking	LO37	diagnostic accuracy	LO52
ambulatory care	P104	clerkship	P139	diagnostic algorithm	LO04
analgesia	LO26, LO86	clinical clerk	P110	diagnostic imaging	P052, P077
anaphylaxis	MP55	clinical decision aid	P096	digoxin immune fab	P036
antibiotic	P003	clinical exam	LO50, P014, P106	disaster	P064
anticoagulation	MP06	clinical handbook	MP19	disaster medicine	MP26
antimicrobial stewardship	LO91, MP11	clinical teaching	P137	disparities	P090
applicant evaluation	MP23	cognitive decline	LO70	distraction	LO63
assessment	LO85, P099	cognitive load	LO56	Dix Hallpike	P014
assisted dying	P009	colic	P074	documentation	P105
asthma	LO39	communication	LO92, MP12, P050, P095	domestic violence	LO46, P007, P114
atrial fibrillation	PL02, MP37, MP45	communication training	P065	donation	LO66
attendance	P025	community care	P035	door-to-ECG	P021
audit & feedback	LO78	community paramedicine	P085	double sequential external defibrillation	LO07
automated external defibrillator	P083	community-dwelling elderly	LO11	drones	P084
automated real-time feedback	LO83	Competence by Design	MP18, P101, P125	drugs	MP54
		competency	LO59		
B		competency based assessment	MP16	E	
back pain	LO12	competency based medical education	LO53, P122, P137	early pregnancy complications	LO40, P133
Bayesian analysis	P082	complications	P024	eCTAS	LO81
benign headache	P075, P149	computed	P136	ectopic pregnancy	LO40
biphasic anaphylaxis	MP55	computed tomography	LO51, LO69, P075, P113, P149	ED crowding	LO10
blood transfusion	MP15	concussion	LO47, LO48, P053	ED throughput	P051
boot camp	MP24	congestion	LO76	education	LO55, P037, P039, P062, P100
bounce backs	P041	consultation	LO79, P051, P054, P073	education research	P111
bradycardia	P017	consultation skills	MP17	elder abuse	LO13, MP34
buprenorphine	P138	continuing professional development	LO44, P001, P117	elderly	LO12, MP33, P088
burnout	MP56, P065, P146	creatinine kinase	MP46	electronic health record	MP03, P022
Buscopan	LO36	critical care	LO65, MP06	electronic medical record	P105
		critical skill	LO59	EM procedural skills	P032
C		croup	P020	EM rotation	LO58
Canadian residency matching service (CaRMS)	MP23			embolism	MP40
cancer	P012			emergency	LO16, LO28, P034, P098
				emergency access	MP28

emergency care	P043	GRADE adolptom	P007	low-acuity patients	PL04
emergency department	LO14, LO30, LO33, LO48, LO92, MP08, MP12, MP33, MP44, MP45, MP51, MP53, P003, P024, P031, P053, P054, P065, P069, P075, P092, P095, P108, P127, P140, P146, P147	guidelines	LO17	low-barrier	MP01
emergency department flow	MP32, P071	H		low-dose methoxyflurane	P015, P089
emergency department staffing	LO77	health education	P126	lumbar puncture	P056
emergency hospital admissions	MP02	health human resource planning	LO77	M	
emergency medical service	LO73, MP04, MP49, MP52, P016, P035, P060, P086, P103, P115	health services utilization	P113	management	LO25, P048
emergency medicine	LO41, LO44, LO45, LO56, LO91, P047, P084 P097, P110, P143	healthcare costs	PL04	marijuana	LO28
emergency physician	LO77	healthcare utilization	P097	mass casualty incidents	MP26, P145
emergency research	P076	heart failure	LO02	mass casualty triage	P135
endoscopy	LO25	hemorrhage	MP06	mass transfusion protocol	LO90
engagement	P025	HINTS	LO49	mechanical ventilation	LO65
entrepreneurship	P126	hospital admissions	MP31	medical assistance in dying	P009
entrustment	LO84	human centered design	MP29	medical education	LO54, LO61, MP41, MP43, P061, P124
environmental scan	P131	hyperglycemia	P143	medical student	LO57, P122
epidemiology	LO13	hypotension	LO22, LO67, LO68, MP05, P079, P080	medical transport	P141
epinephrine auto-injectors	P037	hypoxia	P068	medication safety	LO27
ethnicity	P090	I		mental health	MP04
evaluation	P023	immunization	P098	mental practice	P107
evidence-based medicine	P057	in situ simulation	LO90, MP44, P112	mentorship	MP22, MP56
extracorporeal resuscitation	P028	infants 22 to 60 days old	MP48, P056	microskills checklist	P062
F		influenza	P098	migraine	LO18, LO19
faculty development	MP22, P001, P125	information technology	P127	mild traumatic brain injury	LO48, P048, P053
fall	LO11, LO15, LO17, P145	injury	P132	mild traumatic brain injury with intracranial hemorrhage	MP51
fear of falling	LO11	innovation	P126	miscarriage	LO40, P133 P044
feedback	P099	innovations in EM education	LO83, LO84, LO85, MP16, MP17, MP18, MP19, MP20, MP21, MP22, MP23, MP24, P001, P018, P026, P032, P057, P087, P101, P135	mobility	
fentanyl	LO20	innovations in EM research	LO58	mobilization	P058, P059
fever without a source	P056, MP48	intensive care	P012	mortality	LO21, LO67, P080
First Nations	P115	intensive care unit	P058, P059	motor vehicle collisions	MP54
first responder	P037, P046	interarm blood pressure	P042	multidisciplinary	P100
first trimester bleeding	P006	inter-device agreement	MP13	myocardial infarction	LO01
flipped-classroom	P026	interdisciplinary	MP44	N	
flow	LO76, P130	interrater agreement	LO81	naloxone	LO20, MP29
focused echocardiography	LO42	intervention	LO24, MP10	naltrexone	P031
forecasting	LO75	intimate partner violence	LO46, P114	narrative assessments	P122
fractures	LO26	intracranial bleeding	LO15	nausea	P128
frailty	P047, P118	intracranial hemorrhage	PL03, MP07, P048	near-infrared spectroscopy	MP13
free open access medical education	LO54, P018	intracranial pressure	MP07	neglect	LO13, MP34
functional decline	LO70	intranasal	LO62, P102	network	P023
G		intravenous	LO34, LO63	neuroimaging	LO89
gait tracking device	P044	intubation	LO65, P079, P080	neurology	P119, P120
gastroenteritis	LO34, LO35	ischemia	MP47	National Early Warning Score (NEWS)	P094
gastrointestinal bleeding	LO25	K		next-day ultrasound	P108
geographical distributed learning	P087	ketamine	P102	no-flow time	LO06
geriatric	LO14, LO15, LO16, LO17, MP34, P047, P068, P079, P118, P129	kidney disease	LO01	non-cancer	P109
geriatric patients	MP32	knowledge dissemination	P077	non-ST elevated myocardial infarction (NSTEMI)	LO03, MP14, MP46
global health	P124	L		non-suicidal self injury	P019
goals of care	P027	latent safety threats	P112	non-technical skills	LO72
		lean	MP27	nurse triage	P004
		lean thinking	MP39	nurse-driven protocol	P089
		learning	P099	O	
		low back pain	P091	obstructive uropathy	P010
				off-service resident	LO58
				older adults	P118

older patients	MP35	post-intubation	P049	resource development	P101
onboarding	P144	postpartum hemorrhage	P005	resuscitation	LO72, P066, P086
opioid	LO21, LO26, LO29, LO32, MP30, MP36, MP52, P081, P091, P138	practice change	LO39	resuscitation medicine	LO83
opioid misuse	LO27	pragmatic method	P042	resuscitative thoracotomy	MP20
opioid prescribing	LO27	pre-clerkship	MP42, P011	retention	LO59
opioid-related disorders	LO20	prediction	P082	return of spontaneous circulation	LO09
oral anticoagulant	MP37	predictors	PL03	return visits	LO78, P020
order sets	LO93	predictors of deterioration	MP51	review protocol	P084
organ	LO66	pregnancy	P006, P024	risk prediction	LO52
out of hospital cardiac arrest	P115	prehospital	LO38, LO71, LO72, P016, P066, P103, P121	risk scale	PL01, LO02
outcomes	LO16, LO24, LO82, MP10	prehospital care	P046, P141	role	P040
out-of-hospital cardiac arrest	LO05, LO06, LO09, P028	prehospital medicine	LO73	rounds	P025
outpatient	MP01	prehospital return of spontaneous circulation	LO05	rural innovation	MP43
overcrowding	P022	primary closure	MP53	rural practice	P038
overdose	LO21, P081	primary prevention	LO37		
oxygen	MP49	procedural curriculum	MP42, P011	S	
		procedural skills	MP09, P002, P038, P067	safety	LO02
P		procedures	P039	screening	P007
pain	LO19, LO29, LO32, LO35, LO38, LO63, MP25, P116, P128	process efficiency	MP39	screening tools	LO30
Pain	P030	process maps	P062	script	P107
pain experience	LO31	professional development	P124	second victim	P134
pain management	LO33, LO86	professionalism	LO55	sedation	LO62, P049, P116
palliative	P034	prognosis	LO05, LO64, P028	self-assessment	MP35
palliative care	LO30, MP08, P045, P054, P072, P109	program evaluation	MP41, LO54	self-perception	P040
paramedic	LO41, P008, P040, P109	psychology	MP40	seniors	PL03
parenteral agents	LO18, LO19	public education	P142	sepsis	LO52, LO73, LO93, P003, P012, P060, P082
patient assessment	P085	public health	P142	sepsis detection	P094
patient discharge	P093	public health informatics	P127	serious bacterial infection	MP48
patient education	P077, P147	pulmonary embolism	LO23, MP38, P113	serious games	MP41, P061
patient emails	P131	pulse oximetry	P068	serious gaming	P135
patient engagement	P076, P148			sexual assault	P114, LO46
patient expectations	MP12, P095	Q		shock	LO68, MP05
patient experience	P092	quality assessment	P055	short-term unscheduled return visits	P041
patient flow	MP28, P137	quality improvement	LO61, LO78, MP39, P021, P063, P078, P093, P129	simulation	LO43, LO44, LO45, MP09, MP18, MP21, MP24, P011, P017, P039, P057, P100, P111, P117, P139
patient safety	LO61, P078, P093, P112, P129	quality improvement and patient safety	LO86, LO87, LO88, LO89, LO90, LO91, LO92, LO93, MP04, MP25, MP26, MP27, MP28, MP29, MP30, MP31, MP32, MP37, P023, P045, P070, P071, P085, P136, P140	simulation-based education	P038
patient volume	LO75, MP03			smoking cessation	LO37
patient-centered care	LO23, P045			social media	LO57
pediatric	LO08, LO32, LO33, LO34, LO35, LO36, LO38, MP47, P016, P050, P116, P132	quality of healthcare	PL04	specialist referral	P069
pediatric emergency department	MP11			spinal imaging	P091
pediatric emergency medicine	P052	R		sports	LO71
pediatric palliative care	P027	race	P090	sports injuries	LO47
pediatric patients	LO31	rate control	MP45	staff recall	P064
peer support	P134	real-world evidence	P015	steroid	P020
peer support network	P087	recurrent visits	P143	streptococcal infections	P033
performance evaluation	P110	refractory ventricular fibrillation	LO07	streptococcus pyogenes	P033
periodic performance assessment	LO53	relapse	LO18	stroke	PL01
physician performance	MP31	renal	P074	study guide	MP19
pneumothorax	P013	renal colic	LO24, LO69, LO87, MP10, MP25, P069	substitute decision making	P142
point of care lactate	P060	research methodology	LO60	survey	MP42, P088
point-of-care ultrasound	LO22, LO42, LO68, LO69, LO87, MP05, MP16, P006, P010, P013, P121	residency	LO55	systematic review	MP02, P051, P052, P073
poison centre	P004	residency education	LO60		
polytrauma	P043	residency training	P067	T	
postgraduate education	LO43, P105	residents	MP56	take home naloxone	P081
				teaching sites	P067
				telecommunication-assisted CPR	MP50
				telephone triage	P004
				texting patients	P131

tissular oximetry	MP13	traumatic brain injury	LO67, MP07	V	
tomography	P136	treatment	MP55	vaso-occlusive crisis	LO31
traffic	LO76	triage	LO81, LO82, P008, P119	vasopressors	MP47
trajectory	P029, P030	troponin	LO01, LO03, MP14	ventilators	P026
trampoline park	P132	Twitter	LO57	vertebral fracture	LO12
tranexamic acid	P005			vertigo	LO49, LO50, LO51, P014, P106
transesophageal echocardiography	MP21	U		video-based learning	P002, P032
transfusions for anemia	P123	ultrasound	LO85, MP43,	vital signs	P033
transgender	LO41		P055, P066, P108, P121	volunteer	P046, P092, P140
transient ischemic attack (TIA)	PL01,	undergraduate medical education	P139		
	LO89, P042	unmet	P034	W	
transition to practice	P144	unmet needs	P072	wait times	P130
transitions in care	MP30	unplanned return visits	P050	weather	LO75, P145
trauma	P013, P015, P058,	unscheduled return	P120	withdrawal	P138
	P059, P103, P104	upper gastrointestinal bleeding	MP15	women's health	P133
trauma bypass	P008	urinary tract infections	LO88	workplace-based assessment	LO53, LO84
trauma education	MP20	urology	P074		
trauma pain	P089	utilization	P119		
trauma team	P043
