## Index to Volumes XI—XX

edited by Karin Peters

compiled and edited by Brenda M. Hall

This volume contains a series of cumulative indexes and tables covering volumes XI—XX of the *Yearbook*: cases, bilateral and multilateral agreements, municipal legislation, authors, an index of names and a subject index. As such, it builds upon and complements the cumulative index to Volumes I—X which was published in 1983. This cumulative index provides the reader with easy access to a wealth of information contained in the volumes published during the second decade of the *Yearbook's* existence.
