

A notice to our readers

From 2013 *The Journal of Modern African Studies* will no longer supply an annual index of the volume in the December issue.

Readers of the journal may access tables of content and may search for articles in the online edition. This facility is available both for subscribers and non-subscribers.

To look for articles from the 2013 volume and all previous volumes, we invite you to visit www.journals.cambridge.org/moa
