

BULLETIN of the ROYAL COLLEGE OF PSYCHIATRISTS 1989 VOL 13

BULLETIN and ABSTRACTS (Supplement 2), INDEX

Compiled by Stanley Thorley

PART I—SUBJECT INDEX

(C)=Correspondence

- 'Achieving a Balance':** *Achieving a Balance* and visiting doctors: some unanswered questions. Parimala Moodley and Ricardo Araya (C) 636–637. A. C. P. Sims, *Dean* (C) 637–638
- Administration systems:** Patient administration systems. Michael Göpfert (C) 381
- Admissions:** Compulsory admission to mental hospital in Thailand and England: a visitor's view. P. Kupituksa *et al.* 355–357
The working of the 1983 Mental Health Act: the experience of patients, relatives, psychiatrists, general practitioners and social workers involved in compulsory admissions. Lynne Webster and Christine Dean 477–479
'Why admit to a bed?' Denis O'Leary (C) 638. P. G. Wells (C) 638–640
- Adolescence:** Admission decisions in an adolescent unit. Peter Bruggen (C) 384
Confidential 'phone-in' for teenagers. Alexander Burnfield 615–616
Substance misuse from adolescence to adulthood: service issues. Harith Swadi and Harry Zeitlin 545–546
Who cares for the older adolescent? E. L. Watts *et al.* 345–346
'Why admit to a bed?' Denis O'Leary (C) 638. P. G. Wells (C) 638–640
Why admit to a bed? Disposal of 1,000 referrals to a regional adolescent service. P. G. Wells 342–344
- Advisory Appointments Committees:** A statement on attendance of Health Authority Officers at Consultants' Advisory Appointments Committees. J. L. T. Birley, *President* 104
Assessors' reports on Advisory Appointments Committees: changes since 1974. Peter Brook 16–19
- Affective disorders:** Bipolar affective disorder and child psychiatry. Peter Hindley (C) 38–39
see also Depression
- Africa:** *see* Algeria: East Africa and Nigeria
- Algeria:** Psychiatry in Algeria. Ihsan Al-Issa 240–245
- Appeals:** British Association of Psychotherapists 109
- Appointments:** Brown, L. M. Consultancy 270
El-Hadi, A. Consultancy 270
Hepplewhite, Ros. National directorship, MIND 448
Kingscote, A. D. Consultancy 270
Loizou, M. Consultancy 270
Nikopota, A. Consultancy 270
Prasad, Ashoka Jahnavi. Professorship 527
Thompson, Chris. Professorship 147
Wallace, Marjorie. Directorship SANE 527
Werner, J. M. Consultancy 270
- Approval visits:** Preparing for an approval visit. R. J. McClelland 98–100
- Assessments:** Assessment of forensic cases on remand. R. Lucas (C) 453–454
Psychiatric assessments of patients on remand. Michael Bond (C) 642
Training assessment visits. Dinesh Bhugra (C) 253
- Assessors:** Assessors' reports on Advisory Appointments Committees: changes since 1974. Peter Brook 16–19
Getting your papers published: or how to win editors and influence assessors. Herschel Prins 14–15

- Asylum:** *Asylum:* a new magazine. T. J. G. Kendall and F. A. Jenner (C) 571–572
Asylum, asylums and rehabilitation. Mounir Ekdawi (C) 640
- Attica:** Adventures in Attica – a personal view of the VIIIth World Congress of Psychiatry. Elspeth Guthrie and Dawn Black 687–688
- Auckland:** A year in Auckland. A personal view. Darryl Watts 127–129
- Audiotape reviews:** Tranquillizer independence. T. L. Pilkington 221
- Audits:** Audit in psychiatry. Gillian Garden *et al.* 278–281
Medical audit. Rosalind Ramsay 505
Medical audit in psychiatry or fear and loathing on the White Paper trail. Christopher Holman 281–284
The Royal College of Psychiatrists: preliminary report on medical audit. Working Party. Ann Gath. *Registrar and Convenor* 577–580
- Australia:** An Australian exchange. Judy Harrison 361–362
Political psychiatric football. J. S. B. Lindsay (C) 703–704
Training experience in Australia. Norman James (C) 708
Writer in residence in psychiatry. Philip Mitchell and Fiona Place (C) 202
- Awards:** Ayd, Frank J. Jr., Open Mind Award in Psychiatry 45
International Psychogeriatric Association 109
Schizophrenia Association of Great Britain 109
- Bedlam:** Escapes from Bedlam and lunar phase: failure to confirm the lunacy theory. Robert J. M. Howard (C) 382–383
- Behaviour:** Lunacy and behaviour. Brian O'Shea (C) 642
- Belgrave Square:** W. Carey (Susan Floate, *Librarian*) 520
- Benzodiazepines:** A district benzodiazepine policy in practice: prescribing changes over 19 months. D. G. Ramster and A. J. Barber 292–294
A novel approach to tackling the 'benzodiazepine problem' in general practice. Maureen O'Leary 180–181
Benzodiazepine addiction and child sexual abuse. Bisa Haeger 547

- Black people:** Black people and psychiatry in the UK. Errol Drancis *et al.* 482–485
- Bovine spongiform encephalopathy:** Bovine spongiform encephalopathy. A. Glavina (C) 513
- British Journal of Psychiatry:** The content of the *British Journal of Psychiatry*. R. G. Higgs (C) 512. Hugh Freeman, *Editor* (C) 512–513
- Bulletin: Psychiatric Bulletin.** Andrew Johns (C) 39
- Bulletin of the Menninger Clinic:** publication frequency 698
- Burdens, The:** Burden Research Medal and Prize (1969–1989) 701
Sketches from the history of psychiatry. The Burdens – pioneers in mental health. J. Jancar 552–555
- Burns units:** A staff group in a burns unit: managing patients' psychological needs. D. Antebi and N. R. Ambler 65–66
- Canada:** Psychiatry in Canada. Sidney Kennedy 370–372
The Canadian experience. Brian Ferguson 499–500
- Cannabis:** 'Cannabis psychosis'. L. Pilowsky and P. Moodley (C) 148. C. C. H. Cook (C) 148. Roland Littlewood (C) 148–149
- Carers:** Responsibility to carers – an ethical dilemma. Jacqueline M. Atkinson and Denise A. Coia 602–604
- Casualty departments:** Psychiatric presentations to an accident and emergency department. John Dunn and Renuka Fernando 672–674
- Charities:** *Good Practices in Mental Health (GPMH)* 698
The Manic Depression Fellowship Ltd. 698
- Child and adolescent psychiatry:** Assessment and management of sexually abused children. Roy Meadow (C) 311. Aristos Markantonakis (C) 311–312. Carol FitzPatrick (C) 312. Working Party (C) 312
'Child sexual abuse in practice after Cleveland' – A report on a day conference at the Royal College of Physicians, 1988. J. Green 204–207
Independent assessment and guidance in education 644
Performance indicators in child and adolescent psychiatry. A. R. Nicol 94–97
The responsibility of the child and adolescent psychiatrist in multidisciplinary teams 521. Correction 716
The training required to provide a psychiatric service for children and adolescents with mental handicaps. Working Party 326–328
see also Adolescence
- Child psychiatry:** Benzodiazepine addiction and child sexual abuse. Bisa Haeger 547
Bipolar affective disorder and child psychiatry. Peter Hindley (C) 38–39
Child psychiatry. T. J. Dyer (C) 91
Child psychiatry in a new medical school in Hong Kong: the way we teach medical students. C. K. Wong 67–69
Child psychiatry service. Fiona Subotsky (C) 312–313
Community child psychiatric nursing. D. J. Cottrell *et al.* 617–618
Consultant manpower in child psychiatry. North East Thames Child and Adolescent Psychiatric Advisory Subcommittee 32–35
Ethical quandaries in psychiatry: legal and ethical problems in child psychiatry. An occasional series 193–196
Mental handicap and child psychiatry. Mohammed Ghaziuddin (C) 642
Performance indicators and child sexual abuse. S. E. Wressell *et al.* 599–601
- Psychotherapy, child abuse and the law. Roger Kennedy 471–476
The use of videos to illustrate child psychopathology to medical students. M. E. Garralda 69–72
Therapy for adult victims of childhood sexual abuse in a district setting. Diana M. Fountain and Brenda Moore 437–439
- Clinical decisions:** Clinical decisions about patients: management within multidisciplinary clinical teams. J. J. Cockburn 130–134
- Clinics:** In defence of the depot clinic: the consumers' opinion. David Anderson *et al.* 177–179
Psychiatric casualty clinic: planning and training implications. Mahmood Al-Bachari (C) 87–88
The role of the satellite clinic in reaching intravenous drug users at risk from HIV. Rosie M. Coleman *et al.* 165–168
- Clare, Charles:** Quotation. Charles Gordon 500
- College representatives:** The election of College representatives. Camilla M. Haw (C) 454
- Collegiate Trainees Committee (CTC):** Difficulties of post membership registrars. Dinesh Bhugra (C) 92
Report (*Psychiatric Bulletin* 12, 501–503. Peter Rice) 97
- Colney Hatch:** Sketches from the history of psychiatry: The fire at Colney Hatch Lunatic Asylum, 1903. Henry R. Rollin 188–189
- Community Care:** A visitor's view of Madison's Program for Assertive Community Treatment (PACT). M. Muijen and G. McNamee 352–355
An inner city home treatment service for acute psychiatric patients. Christine Dean and Elaine Gadd 667–669
Befriending: cost-effective community care. D. G. Kingdon *et al.* 350–351
Co-ordinating care for people disabled by long-term mental illness living in the community. Margaret Rich *et al.* 290–291
'Community care, agenda for action'. A response from the National Demonstration Services in Psychiatric Rehabilitation. Len Rowland *et al.* 538–541
Community child psychiatric nursing. D. J. Cottrell *et al.* 617–618
Community mental health teams. N. W. Wise (C) 380
Community psychiatry – a training experience. A. Jane Naismith 503–504
Community-oriented psychiatric care: some ideas on training. Joseph Connolly and Isaac Marks 26–27
Developing family-based care for schizophrenia: a training project. Ian R. H. Falloon *et al.* 675–676
Integration into the working world. Bob Grove 28–30
Is there a role for community clinical medical officers in mental handicap? S. P. Peel (C) 86. D. Chakraborti (C) 86–87
Locally based community care: a personal view. Keith Richardson 287–290
Mental health in primary care. O. O. Famuyiwa 20–24
Monitoring community care in York. Giles Harborne and Annette Henderson 140–144
Occupational therapy – the forgotten specialty within the community mental health team? Denise Coia and Anne Joice 420–421
Re-organisation of CPN services in our District. T. Rajamanickam (C) 641
Self-referrals to a community psychiatric clinic. A. P. Boardman and N. Bouras 490–492

- The Day House. A specialised community service for people with mental handicap. Ruth M. Walters 415–417
- The development of community based adult mental health services – a research contribution. Jackie Powell and Robin Lovelock 662–666
- Training in community psychiatry. Denise Coia and Cameron Stark (C) 378–380
- Training in community psychiatry – a year's experience. Katy Malcolm 445–447
- What is the role of the psychiatrist in the community? Andrew Sims 285–287
- Working for psychiatric patients? Mental health services and the White Paper. Edward Peck 407–408
- Community treatment orders:** T. Pastor (C) 201
- Computers:** The Safety Net project. Jason Taylor and Kurush Bhungara 677–679
- Conference reports:** Casting out demons? A. E. Thompson and P. F. Mahoney 634–635
- 'Child sexual abuse in practice after Cleveland' – A report on a day conference at the Royal College of Physicians, 1988. J. Green 204–207
- First World Congress on psychiatric genetics. Michael Morris and S. J. Adams 702
- Futures we are in. Michael van Beinum and Martin Turner 522
- Liaison psychiatry for senior registrars: report of a training conference. Peter White 263
- Medical audit. Rosalind Ramsay 505
- Mental health, psychiatry and management. Ian B. Cookson 246–247
- New models of services for drug misusers. Michael Farrell 645–647
- NHS: the first 40 years. Hugh Freeman 1–3
- Psychoanalytic psychotherapy services in Europe – London, 1988. David Tait 189–190
- Research and practice in forensic psychiatry. Rosalind Ramsay 373–374
- Royal Society of Health – implementing Sections 135 and 136 of the Mental Health Act. Geoffrey Wallis 144–147
- Symposium on the closure of mental hospitals. Rosalind Ramsay 447–448
- The first European congress on mental health and deafness, Rotterdam, The Netherlands, 1988. Ken Checinski and Nick Kitson 303–304
- "Conferences":** Quotation. J. K. Galbraith 489
- Congresses:** Adventures in Attica – a personal view of the VIIIth World Congress of Psychiatry. Elspeth Guthrie and Dawn Black 687–688
- First World Congress on psychiatric genetics. Michael Morris and S. J. Adams 702

French course at CIEP. M. Ellis 392
Futures we are in (conference report). Michael van Beinum and Martin Turner 522

- Higher training in old age psychiatry. JCHPT (Joint Committee in Higher Psychiatric Training) position statement 652
- HIV disease and psychiatric practice. Jose Catalan *et al.* 316–322
- Honorary Fellows
- Ainsworth, M. (J. Bowlby) 710–711
 - Bewley, T. H. (T. Fahy) 711–712
 - Clarke, A. D. B. (A. Gath) 712–713
 - Corsellis, J. A. N. (J. L. T. Birley on behalf of W. A. Lishman) 713–714
 - Rollin, H. R. (D. Richter) 714
- Liaison psychiatry for senior registrars: report of a training conference. Peter White 263
- Management training in psychiatric practice. J. Higgins, *Sub-Dean* 456–460
- Management training in psychiatric practice. Lionel Joyce 458–459
- Management training for senior registrars. Roger Dyson 456–457
- The context for management education in psychiatry. Stephen Harrison 457–458
- Meetings
- Autumn Quarterly Meeting, 1988. Ann Gath, *Registrar* 41
 - Quarterly and annual meetings of the Royal College of Psychiatrists 582
 - Spring Quarterly Meeting, 1989. Ann Gath, *Registrar* 435
 - The Eighteenth Annual Meeting, 1989 709–714
 - Winter Quarterly Meeting, 1989. Ann Gath, *Registrar* 213
- Membership Examination. A. C. P. Sims, *Dean* 325–326
- Midlands Division trainees' day, 1989. Ola Junaid and Gabrielle Milner 650
- Morris Markowe Public Education Prize 393, 653
- New models of services for drug misusers. Michael Farrell 645–647
- Non-member psychiatrists. Vanessa Cameron, *Secretary* 393
- North East Division trainees' day 1988. Christopher Bools *et al.* 329–330
- Patient advocacy – Report for Public Policy Committee 714–715
- Performance indicators in child and adolescent psychiatry. A. R. Nichol 94–97
- Preparing for an approval visit. R. J. McClelland 98–100
- Psychiatrists and psychologists: can they work together? 257–260
- Psychiatry abroad 333
- Psychiatry and Court procedures. Irish Division 207–209
- Report on services and training from the Executive Committee of the Substance Misuse Section 158
- Report of the Special Committee of Council on psychiatric practice and training in British multi-ethnic society 516
- South Western Division trainees' day. Dilys Jones *et al.* 151–152
- Southern Division trainees' day. Dinesh Bhugra *et al.* 646
- Specialist services and medical training for the care of elderly people with mental illness 210–212
- Statement on abuse and harassment within psychiatric hospitals. A. Gath 460
- Sterilisation and mentally handicapped people: position statement 215
- Study tour to Italy, 18–22 May 1988. Geoffrey Wallis 101–103
- The practical administration of electroconvulsive therapy (ECT). Vanessa Cameron, *Secretary* 212
- The report of a working party of the fourth Collegiate Trainees' Committee: the public image of psychiatry – a pilot study. Dinesh Bhugra and Jan Scott 330–333
- The responsibility of the child and adolescent psychiatrist in multidisciplinary teams 521
- The Royal College of Psychiatrists: preliminary report on medical audit. Working Party. Ann Gath, *Registrar and Convenor* 577–580

- The work of the Overseas Desk. A. C. P. Sims, *Dean* 260–262
- Trainees' day, North West Region, 1989. Lisetta M. Young and Michael Brownlee 649
- Training in the psychiatry of old age 580
- SafetyNet:** The SafetyNet project. Jason Taylor and Kurush Bhumgara 677–679
- Schizophrenia:** Developing family-based care for schizophrenia: a training project. Ian R. H. Falloon *et al.* 675–676
- SANE. Schizophrenia: a national emergency 147
- Schizophrenia in ethnic minorities. Suman Fernando (C) 250–251. \$ 573–574. Glynn Harrison (C) 251. \$ 574
- The SafetyNet project. Jason Taylor and Kurush Bhumgara 677–679
- Scotland:** Liaison psychiatry in Scotland: the present service. Helen M. Anderson 606–608
- Management training for Scottish senior registrars in psychiatry. Sheila A. Calder and Alastair N. Palin (C) 569
- News of members
- Hunter, Robert: McHarg Prize, 1988 310
 - McKechnie, Alasdair: Mental Welfare Commission 310
- Scottish Psychiatric Rehabilitation Interest Group (SPRIG). J. M. Dingwall (C) 40
- Sketches from the history of psychiatry: Dorothea Dix: when will we see your like again in Scotland? A. D. T. Robinson 305–307
- see also Crichton Royal and Edinburgh*
- Scribe's column:** Reform of the National Church Service. Ezra the Scribe 396
- Sedation:** Night sedation in the admission wards of a psychiatric hospital. Richard P. W. Fry 184–185
- Seeborn, Lord:** Interview. Hugh Freeman 465–470
- Self-referrals:** Self-referrals to a community psychiatric clinic. A. P. Boardman and N. Bouras 490–492
- Senior registrars:** Liaison psychiatry for senior registrars: report of a training conference. Peter White 263
- Management training for Scottish senior registrars in psychiatry. Sheila A. Calder and Alastair N. Palin (C) 569
- Management training for senior registrars. Roger Dyson 456–457

- What should registrars and senior registrars learn about mental handicap? Douglas A. Spencer (C) 450
- Sex offences:** Group therapy with sex offenders. Estela Welldon (C) 198
- Sexual offences and mental handicap. T. Hari Singh (C) 451
- Sexual abuse:** Assessment and management of sexually abused children. Roy Meadow (C) 311. Aristos Markantonakis (C) 311–312. Carol FitzPatrick (C) 312. Working Party (C) 312
- Benzodiazepine addiction and child sexual abuse. Bisa Haeger 547
- Performance indicators and child sexual abuse. S. E. Wressell *et al.* 599–601
- Statement on abuse and harassment within psychiatric hospitals. A. Gath 460
- Therapy for adult victims of childhood sexual abuse in a district setting. Diana M. Fountain and Brenda Moore 437–439
- Social deprivation:** Health authority patterns of hospital discharge rates for poisonings in the RHAs of England and the DHAs of Yorkshire, and their relationship to social deprivation. E. B. Renvoize *et al.* 542–544
- Social ethics and policy:** Centre (University of Manchester) 270
- Social security:** The uptake of social security benefits among psychiatric day hospital patients. Daniel S. Allen and Renate West 626–627
- Social workers:** Beware of your friendly social worker. Paul Bridges (C) 197–198. D. M. Bowker (C) 453
- Society for Existential Analysis** 399
- Somalis:** The work of the Somali Counselling Project in the UK. Omar E. Dihour and Anthony J. Pelosi 619–621
- South-East Thames Region:** Suicide trends in the South-East Thames Region. Dinesh Bhugra and John Watson 366–367
- Soviet psychiatry:** A trip to Moscow. F. H. L. Beyaert 533–535
- The current situation in Soviet psychiatry regarding political abuses. Peter Reddaway 529–532
- Speech therapy:** Speech therapy for psychogeriatric services: luxury or necessity. Helen Griffiths and Roy Baldwin 57–59
- Staff grade:** Education of the staff grade 581–582
- Sterilisation:** Sterilisation and the mentally handicapped. D. Chakraborti (C) 451
- Sterilisation and mentally handicapped people: position statement 215
- Stress:** In the wake of Hillsborough. B. H. Green (C) 566–567. Jeremy Seymour (C) 567–568
- Mixed marriage and stress. A. Jawad Sheikh (C) 38
- Working with survivors. Stuart Turner 173–176
- see also Lockerbie*
- Strip-searching:** The strip-searching of women prisoners. Tony Whitehead (C) 89–90
- Substance abuse:** Report on services and training from the Executive Committee of the Substance Misuse Section 158
- Substance misuse from adolescence to adulthood: service issues. Harith Swadi and Harry Zeitlin 545–546
- Suicide:** Clinical management. Guidelines on the clinical management of suicidal patients in psychiatric units. R. Gardner 561–564
- Coroner – a change in practice. I. G. Thomson (C) 704
- Psychiatric casualty clinic: planning and training implications. Mahmood Al-Bachari (C) 87–88
- Suicidal patients – the effect on staff. J. C. Rossiter 495–496
- Suicide trends in the South-East Thames Region. Dinesh Bhugra and John Watson 366–367
- see also Videotape review* 108–109
- Teaching:** Child psychiatry in a new medical school in Hong Kong: the way we teach medical students. C. K. Wong 67–69
- The use of videos to illustrate child psychopathology to medical students. M. E. Garralda 69–72
- Videotapes for psychiatric teaching. T. L. Pilkington 109
- Thailand:** Compulsory admission to mental hospital in Thailand and England: a visitor's view. P. Kupituksa *et al.* 355–357
- Torture:** Working with survivors. Stuart Turner 173–176
- Traditional healing:** Psychiatry, traditional healers, and the vimbusa, in northern Malawi. Gianetta Rands 622–625
- Trainees' days:** A ten-year survey of trainee's days. Michael Morris and Sean Lynch 651–652
- Midlands Divisions trainees' day, 1989. Ola Junaid and Gabrielle Milner 650
- Southern Division trainees' day. Dinesh Bhugra *et al.* 646
- Trainees' day, North West Region, 1989. Lisetta M. Young and Michael Brownlee 649
- Trainees' forum:** An Australian exchange. Judy Harrison 361–362
- Community psychiatry – a training experience. A. Jane Naismith 503–504
- First steps in psychotherapy. Susanne Griffin 234–237
- How to survive in management. Lisetta M. Lovett 389–391
- How useful is a six month research option for trainee psychiatrists? Alice Foerster and Graham Meadows 301–302
- Training for an uncertain future. Rex Haigh 556–557
- Training in community psychiatry – a year's experience. Katy Malcolm 445–447
- Working in consultation–liaison psychiatry in the USA: an educational experience. Paul Foster 123–126

Child and adult psychiatry. P. Hill 7–8
Psychoses. E. Taylor 7
- Suicidal behaviour. K. Hawton 7
- Affective disorders:** Do self report measures of affect agree? A longitudinal study. D. P. Morrison and D. Peck 58
Rapid cycling affective disorder in the mentally handicapped – clinical characteristics and response to treatment. Paul Glue 57
- Afro-Caribbeans:** Management of first episode psychotic illness in Afro-Caribbean patients. Eric Chen *et al.* 37
Psychoses in Nottingham. Glyn Harrison 53–54
see also Caribbean migrants
- Aggression** *see* Violence
- AIDS** *see* HIV
- Akathisia:** Plasma-iron parameters and trace elements in neuroleptic induced akathisia. J. Bowie *et al.* 38
- Alcoholism:** Alcohol consumption and attempted suicide. Gabrielle L. Milner 58
Central alpha-2-adrenoceptor-mediated abnormalities in abstinent alcoholics. P. Glue and D. Nutt 13
Private sector treatment. D. A. Curzon 4–5
Screening suicide attempters for alcohol misuse. John Merrill 58
Treatment. Jonathan Chick 20–21
- Alcoholism. Do we need specialised in-patient treatment for problem related drinkers?** 47–48
A follow-up study of participants in an alcohol unit treatment programme. G. K. Shaw 47
A randomised trial of a community-based centre v. conventional hospital management in the treatment of alcoholism. Gregory Potamianos 47
Changing to a community service. J. M. Werner 47–48
Provision of community-based services for problem drinkers: what happened in Leicestershire. D. Cameron 47
- Alzheimer's disease:** Clinico-genetic correlates in correlates in familial Alzheimer's disease. M. J. Mullan *et al.* 60–61
Pharmacological treatment – hope or fantasy. Raymond Levy 52
- Amphetamine:** Amphetamine psychosis revisited. Michael F. Cleary 59–60
- Anorexia nervosa:** Diabetes mellitus. R. C. Peveler and C. G. Fairburn 17
Long-term outcome in early onset. Noel McCune and Geraldine Walford 56
- Anticonvulsants:** Cognitive side-effects of anticonvulsants – valproate, carbamazepine and phenytoin in new cases of epilepsy in children. Ian Berg *et al.* 56
- Antidepressants:** MAOI tranylcypromine – prescribed single and in combination with a tricyclic antidepressant. S. O'Brien and P. McKeon 17
- Antipsychotics:** Depot anti-psychotic prescription in primary care: a pilot study. G. T. Ridley and V. R. Sharma 63
The role of depot antipsychotic medication in a locally-based district psychiatric service
Development of a system of medical audit. Stuart McLaren and J. C. Cookson 59
Results of a medical audit. Stuart McLaren and J. C. Cookson 59
- Anxiety** 25–26
Anxiety states – long-term outcome. A. C. P. Sims 25–26
Prevalence and nature of anxiety in medical out-patient clinics. R. P. Snaith *et al.* 25
Problems of dependence. C. H. Ashton 26

- Subtyping panic disorder by symptom clusters. Andrew C. Briggs 26
- Apomorphine:** Growth hormone response to apomorphine on day 4 postpartum in women at high risk of puerperal psychosis. A. Wieck *et al.* 12
- Arson:** Psychopathology in arsonists. Keith J. B. Rix 28
- Asian mothers:** Psychiatric morbidity in primary care. Ajay Upadhyaya *et al.* 39
- Asperger's syndrome:** Digby Tantam 52
- Assault** *see* Violence
- Asylum. Is there asylum in the community?: the care of the severely disabled mentally ill** 44–45
Characteristics of the residual long-stay patients in a district general hospital. R. N. Mohan and M. A. Baxter 44
Functions of asylum. J. K. Wing 45
Hospital hostels: those who fail: outcome and effects on other services: 111 Denmark Hill. Philippa Garety 44
Hospital hostels: those who fail: outcome and effects on other services: Douglas Home. Clive Edward Hyde 44
Perspective from the community. D. Hollander 44–45
- Attitudes:** Attitudinal perspectives in psychiatry. S. Lynch 16
