## **NEW MEMBERS PLEASE!**

The membership of the FPS is increasing, but to be really effective we urgently need still more members. New leaflets explaining the work of the Society and the need for it, together with application forms, were circulated last month. If you can use more of these leaflets to get new members please write or telephone to the Hon. Secretary for a supply (address opposite). There is also a tear-out application form on page 265. New members who join now will receive the back numbers of **ORYX** for the year.

## **CHRISTMAS CARDS**

The two new FPS Christmas cards for 1964, Koalas and Red Squirrel in the Snow, are now ready. They are reproduced actual size on plates 17 and 18, following page 250. Please use the loose order form enclosed in this issue of **ORYX**. If you would like more order forms to give to friends these can be supplied on application to the Secretary. It all helps the Society's funds.

## **FILM LIBRARY**

Films may be borrowed free from the FPS film library, but from August 1st we are making a charge of £1 to cover the cost of repairs and handling as well as postage. We hope that members will appreciate the necessity for this small charge to cover the sometimes substantial cost of repairs. There will be a reduction for more than one film borrowed at the same time.
