

Hydrothermal synthesis of gold nanoplates and their structure-dependent LSPR properties – CORRIGENDUM

Yanting Liu, Lijun Yang, and Yajing Shen

doi: <https://doi.org/10.1557/jmr.2018.274>, Published by Materials Research Society with Cambridge University Press, 13 August 2018.

In Liu et al.,¹ Lijun Yang is a co-corresponding author along with Yajin Shen. The corresponding author note should have read as follows:
