Erratum

1. In the article entitled "Transmitter-Replacement Therapy in Alzheimer's Disease Using Intracerebroventricular Infusions of Receptor Agonists", Volume 13, No. 4 (supplement) November 1986: 394-402, the authors should have been listed as follows: S. Gauthier, R. Leblanc, Y. Robitaille, R. Quirion, G. Carlsson, M. Beaulieu, R. Bouchard, D. Dastoor, F. Ervin, L. Gauthier, M. Gauvin, J. Henry, R. Palmour and D. McLachlan.

2. In the article entitled "Adult Onset Systemic Carnitine Deficiency: Favorable Response to L-Carnitine Supplemen-

tation", Volume 14:50-54, the first line of column 2 on page 51 should read ". . . fibres, however fat stains and EM had not been performed at that . . .". Also, in Table 1, page 52, the heading "24 Hour urine free carnitine excretion" should be placed above the line enclosing the table and refers to the last column of that table. The second sentence of the Discussion on page 52 should read "Overt myopathic features did not occur until 7½ years later."
