EDITORIAL POLICY AND PRACTICES

Theatre Survey is chartered by the American Society for Theatre Research as a theatre history journal. Its theatrical and historical orientations are both broadly conceived. Performance-centered studies are welcome from all points across all historical, cultural, and methodological spectra, as are historiographic studies.

Dramatic literature studies not substantively related to actual performance normally would be outside the journal's purview.

COVER: "Uncle Tom's Cabin."

color lithograph poster circa 1900, showing Uncle Tom and Little Eva.
