Looking Back on the Seventieth Anniversary of Japan's Surrender–
CORRIGENDUM

In Delury, Smith, Repnikova, and Raghavan (2015) page 804, the sentence referring to the Japanese emperor's visit to China should read "Reconciliation continued to motivate diplomacy, and, in 1992, Emperor Akihito and Empress Michiko made their delicate visit to China to express remorse for the war."

We regret the error.
