Agriculture

The Ecology of Tropical Food Crops

Second Edition

M. J. T. NORMAN, C. J. PEARSON and
P. G. E. SEARLE

Considers the response of twelve major tropical food crops to environmental factors such as climate, soil and farming system. This updated edition retains the successful formula of the first edition, and will serve the needs of those studying and teaching tropical crop production.

£45.00 net HB 0 521 41062 2 440 pp. 1995
£19.95 net PB 0 521 42264 7

Control of Crop Diseases

Second Edition

W. R. CARLILE

A concise, up-to-date and expanded introductory account of the control of diseases in commercial crops. It contains a more extensive coverage of fungicides and a consideration of the problems of disease control in crops and produce entering international trade.

£12.95 net PB 0 521 48345 X 161 pp. 1995

Forthcoming

The Living Fields

Our Agricultural Heritage

JACK R. HARLAN

A balanced view of the origin and evolution of agriculture in various parts of the world.

c. £32.50 net HB 0 521 40112 7 273 pp. 1995

Orders, which must be accompanied by payment, may be sent to any bookseller or subscription agent or direct to the publisher: Cambridge University Press, The Edinburgh Building, Shaftesbury Road, Cambridge CB2 2RU, UK, or in the USA, Canada and Mexico, The Journals Department, 40 West 20th Street, New York, NY 10011-4211, USA.

The subscription price (excluding VAT) of Volume 31 1995 is £96 net (including postage) (US \$184 in the USA, Canada and Mexico), payable in advance; separate parts cost £26 net or \$48 each (plus postage).

EU subscribers (outside the UK) who are not registered for VAT should add VAT at their country's rate. VAT registered subscribers should provide their VAT registration number.

Japanese prices for institutions (including ASP delivery) are available from Kinokuniya Company Ltd, P.O. Box 55, Chitose, Tokyo.

Second class postage paid at New York, NY and at additional mailing offices. *POSTMASTER*: send address changes in the USA, Canada and Mexico to *Experimental Agriculture*, Cambridge University Press, 110 Midland Avenue, Port Chester, New York, NY 10573-4930.

Back volumes. Previously published parts of *Experimental Agriculture* are available from Cambridge or the American Branch of Cambridge University Press. Inquiries for Vols. 1-32 of *The Empire Journal of Experimental Agriculture* should be addressed to Wm Dawson & Sons Ltd, Cannon House, Folkestone, Kent, UK.

Preparation and submission of manuscripts. Detailed instructions on the preparation of manuscripts are printed at the back of the first number of each volume of this journal.

Potential contributors are asked to give careful attention to these instructions. This will greatly assist the editors and thus speed the processing of their contributions.

Copying. This journal is registered with the Copyright Clearance Center, 222 Rosewood Drive, Danvers, MA 01923. Organizations in the USA who are also registered with C.C.C. may therefore copy material (beyond the limits permitted by sections 107 and 108 of US copyright law) subject to payment to C.C.C. of the per copy fee of \$11.00. This consent does not extend to multiple copying for promotional or commercial purposes. Code 0014-4797/95 \$11.00+0.10.

ISI Tear Sheet Service, 3501 Market Street, Philadelphia, Pennsylvania 19104, USA, is authorized to supply single copies of separate articles for private use only.

Organizations authorized by the Copyright Licensing Agency may also copy material subject to the usual conditions.

For all other use, permission should be sought from Cambridge or the American Branch of Cambridge University Press.
