Editors-in-Chief

Rosamund Bryar, City University, UK
Sally Kendall, University of Hertfordshire, UK

Primary Health Care Research & Development is the first journal aimed specifically at both researchers and practitioners in primary health care, bridging the gap between the two areas. It provides a forum for the publication of international, interdisciplinary research and development in primary health care.

Editor

Kenneth Kendler,
Virginia Institute for Psychiatric and Behavioral Genetics,
Virginia, USA
Professor R. Murray, Institute of Psychiatry, London, UK

Psychological Medicine is a leading international journal in the fields of psychiatry, related aspects of psychology and basic sciences. There are twelve issues a year, each featuring original articles reporting key research being undertaken worldwide, together with shorter editorials by distinguished scholars and an important book review section. The journal's success is clearly demonstrated by a consistently high impact factor.
