"Lightweight" Theology

We've all seen those massive theological works. Huge volumes with hundreds of pages, loaded with details.

And while they are certainly valuable for scholars, they are usually overwhelming to everyone else.

Now Leon Morris has written a New Testament theology for the rest of us. A "lightweight" theology, if you will, for students, pastors, laypeople, teachers.

Drawing on his years of experience as a noted professor and author, Morris sets forth, clearly and concisely, the principal theological teachings of each book of the New Testament.

By One Of The Heavyweights Of Our Day

Thorough without being overly technical, and broad-based without

being simplistic.

New Testament Theology is a "lightweight" theology... But with heavyweight insight and understanding.

NEW TESTAMENT THEOLOGY

Leon Morris

CONTRIBUTIONS

Contributions, which may be in English, French or German, should be submitted in typescript (*two* copies) to Professor G. N. STANTON, King's College, Strand, London WC2R 2LS. Contributors are asked to follow the "Instructions for Contributors", *NTS* 31 (1985) 157-159. Each contributor will receive a copy of the number and 25 off-prints of his article free of charge. Authors will be responsible for all alterations to proofs which exceed 20% of the cost of composition.

MONOGRAPH SERIES

In view of the increasing number of typescripts which are being received for possible publication, those who wish to submit work are asked not to do so without first consulting the Editor who will be glad to advise about format, length and possible date of publication if the work can be accepted.
