TEL

TRANSNATIONAL ENVIRONMENTAL LAW

Transnational Environmental Law (TEL) is a peer-reviewed journal that will be launched by Cambridge University Press in 2012. TEL is dedicated to the study of environmental law and governance beyond the state. It approaches legal and regulatory developments with an interest in the contribution of non-state actors and an awareness of the multi-level governance context in which contemporary environmental law unfolds.

TEL warmly invites new work on topics within the scope of the journal from scholars, lawyers and professionals active in fields related to environmental law and governance.
