PURPOSE AND FOCUS

The Journal of Financial and Quantitative Analysis (JFQA) is published quarterly in March, June, September, and December by the School of Business Administration at the University of Washington in Seattle, Washington U.S.A.

The JFQA publishes theoretical and empirical research in financial economics. Topics include corporate finance, investments, capital and security markets, and quantitative methods of particular relevance to financial researchers.

Opinions expressed in the JFQA are those of the authors and do not necessarily reflect those of the School of Business Administration of the University of Washington.

For specific information concerning subscriptions, submissions, single-copy orders, missing issues, permission to reprint, or advertising, write, call, or fax the JFQA office.

SUBMISSIONS

It is JFQA policy to give prompt attention to all submitted manuscripts. Consistent with this policy, honoraria are paid to referees who provide timely reviews.

Manuscripts are to be sent in quadruplicate with a \$100 submission fee for subscribers (\$140 for nonsubscribers) to Professor Paul Malatesta, Managing Editor. Checks must be payable to the JFQA in U.S. dollars for deposit in a U.S. bank. VISA and MasterCard are accepted. Style guides for preparing manuscripts can be found on one of the back pages of each JFQA issue.

SUBSCRIPTIONS

Subscriptions, which must be prepaid and renewed annually, start with the next available issue unless otherwise requested. Checks or money orders must be payable to the JFQA in U.S. dollars for deposit in a U.S. bank. VISA and MasterCard are accepted. Claims for missing issues must be made within 6 months of the date of publication.
