WHAT KIND OF ISRAEL WILL HE BUILD?

Special preparatory courses for young immigrants in the armed services represent only one of many ways that the country is served by the Hebrew University of Jerusalem. The oldest and most significant institution of higher learning in Israel, the University will affect the future of the nation and the Jewish people everywhere as it contributes to the knowledge of all mankind.

A bequest to the Hebrew University will help decide the course of Israel's future. What kind of Israel do you want?
