BOREATTON PARK.

Founded by the late, W. H. O. SANKEY, M.D., F.R.C.P., for the reception of a limited number of ladies and gentlemen mentally afflicted, and now conducted on the same lines by his son, E. H. O. SANKEY, M.A., M.B., B.C.Cantab.

The house, a first-class country Mansion, specially adapted for its purpose, stands about 400 ft. above the sea and commands magnificent views of Welsh mountain scenery.

The Gardens slope to the West, and lead to the Deer Park, one of the oldest in the kingdom.

There is fishing both for trout and coarse fish in the pools in the Deer Park, and the right of fishing in about 5 miles of the River Perry is leased.

There are Hot Houses and Orchard House.

Private Golf Course of 18 holes, Tennis Courts, and Croquet Lawns.

So far as possible the patients of both sexes take their meals and associate at all times with the family of the Superintendent, the object being to make the house as much as possible like an ordinary country house.

Arrangements can be made for friends of the Patients to reside in the house should they desire to do so.

There is good stable accommodation, and Horses, Carriages and Motor are provided.

For further particulars apply---

Advances in  Treatment

CONSTIPATION

"Byno Chrismol"

(IDENTIFICATION TRADE MARKS)

"Byno Chrismol" marks a new departure in the treatment of Chronic Constipation, etc. It presents 50 per cent. by volume of "Chrismol," a specially selected and purified Russian mineral oil, in intimate combination with the "Allenburys" Malt Extract.

"Byno Chrismol" possesses the following advantages :

It is prepared with mineral oil of the proper viscosity and chemical constitution to ensure efficient lubrication with a complete absence of bye-effects.

The intimate combination of the mineral oil and the "Allenburys" Malt Extract, without an emulsifying agent, ensures the maximum activity of the oil as a lubricating agent, and removes the inconvenience that sometimes follows insufficient admixture of the lubricant with the intestinal contents.

"Byno Chrismol" possesses no oily taste. The "Allenburys" Malt Extract present aids digestion and assimilation.

"Byno Chrismol" is specially indicated in Chronic Constipation with symptoms of auto-intoxication, Intestinal Stasis, Mucous Colitis, and in the convalescent stage of Typhoid Fever ; also after Childbirth, during the Nursing Period and whenever a simple laxative is required by child or adult.

UNSOLICITED MEDICAL TESTIMONY.

"I am a new man after it ('Byno Chrismol'). It has done me more good than anything I have ever taken. I was greatly troubled with atonic dyspepsia for the past few years, and now I feel quite well again."
L.R.C.P.

"I have not been taking it ('Byno Chrismol') very long, but I find that life is again a pleasure instead of being in reality a misery for the past five years."
L.R.C.P.

"I tried your 'Byno Chrismol' in a case of habitual constipation with very good results. It acted as a mild laxative."
L.A.H.

"The 'Byno Chrismol' tends to permeate and soften the whole motion, and no particle of oil reappears in the stool. This I consider a great advantage."
M.B., F.R.C.S.
