The Moral Vision of Jacobean Tragedy

by Robert Ornstein

A comprehensive reappraisal of Jacobean tragedy which offers a perceptive analysis and interpretation of the ethical viewpoints and artistic achievements of all the major dramatists who made significant contributions to early seventeenth-century tragedy. \$6.00

The Deputies to the Estates General in Renaissance France

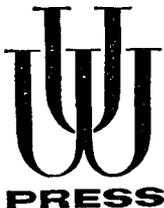

by J. Russell Major

An analysis of the Monarchy of Renaissance France is analyzed through its local assemblies and the deputies to the Estates General. Shown in detail are the deputies themselves: who they were, how they were elected, how they lived, how they were paid, and how they effected the tragic fate of the Estates General. \$6.50

Representative Institutions in Renaissance France, 1421-1559

by J. Russell Major

This study of the relationship between the French kings and their representative institutions demonstrates the popular, consultative nature of the Renaissance Monarchy and helps explain why representative institutions failed to survive in France at the national level. \$4.00

An Immortal Commonwealth

The Political Thought of James Harrington

BY CHARLES BLITZER. James Harrington—friend of Charles I, political theorist of the republican government, and author of *The Commonwealth of Oceana*—almost alone among his contemporaries recognized the development of the modern state and appreciated its profound implications. This volume analyzes Harrington's thought against the intellectual and political background of seventeenth-century England and shows the connection between his general theory of politics and the specific constitutional institutions he proposed.

DECEMBER \$6.00

Royalist Conspiracy in England 1649-1660

BY DAVID UNDERDOWN. This engrossing scholarly narrative reveals the continuous and carefully elaborated pattern of Royalist opposition during the years between the execution of Charles I and his son's Restoration. 'A highly conscientious piece of accurate and intelligent historical research.'
—*Times Literary Supplement*.

The Cankered Muse

Satire of the English Renaissance

BY ALVIN KERNAN. This volume presents the first comprehensive critical theory of satire in the English Renaissance. It considers in detail such non-dramatic works as Marston's *Scourge of Villanie*, Nashe's *Pierce Penilesse*, and Hall's *Virgidemiae* and the dramatic satires which developed from this tradition, such as *Timon of Athens*, *Troilus and Cressida*, *The Malcontent*, and *The Duchess of Malfi*.
