Applications for membership, notices of change of address or title or position, and other correspondence, except as noted below, should be sent to:

The Secretary, Australian Mathematical Society,
Secondary Teachers' College,
Swanston Street, Parkville, Victoria 3052, Australia.

Subscriptions and correspondence related to accounts should be addressed to:

The Treasurer, Australian Mathematical Society,
Department of Mathematics,
University of Queensland,

Correspondence about the distribution of the Society's JOURNAL and BULLETIN should be addressed to:

The Business Manager, Australian Mathematical Society,
Department of Mathematics,
University of Queensland,
St Lucia, Queensland 4067, Australia.

The annual subscription is \$50 for Institutions and \$16 in 1971 for Ordinary Members. Junior Members (undergraduate and junior graduate students) may ask to have their subscription reduced to \$6 in 1971. Members of other mathematical societies with which the Australian Mathematical Society has entered into reciprocity agreements are admitted to membership and its privileges at half the current rates, if they are not normally resident in Australia.

Members of the Society receive copies of the JOURNAL free, and may subscribe to the BULLETIN at the price of \$4 per volume (\$8 p.a.). Members may elect to receive the BULLETIN instead of the JOURNAL.

The JOURNAL of the Australian Mathematical Society

The JOURNAL began publication in 1959. Normally one volume of four parts is published annually, at a price of \$18. Subscription orders and orders for back numbers should be sent to the Business Manager (address above). Manuscripts for publication should be sent to the Editor:
