The above article was originally published with minor error in the below sentence:

‘As a starter on the subject myself, I add Ganti (2014) on neoliberalism to that short list and bring to the discussion **his** insightful review of how neoliberalism has been perceived and theoretically appropriated by anthropologists.’

The author would like to highlight that this sentence should read:

‘As a starter on the subject myself, I add Ganti (2014) on neoliberalism to that short list and bring to the discussion **her** insightful review of how neoliberalism has been perceived and theoretically appropriated by anthropologists.’

The author apologises for this error.
