ARLIS/UK & EIRE NEWS-SHEET
TEN-YEAR INDEX 1976-1985**

COMPILED BY J. H. BOWMAN

Art Librarians everywhere will welcome this important guide to the contents of two of the most essential stores of professional thinking, experience and practice, the *Art Libraries Journal* and the *ARLIS News-sheet*.

For instant access to articles, news items and reviews on subjects as wide-ranging as Western resources on Japanese Art, Visual Arts databases, Art Archives or the Art Book this new ARLIS/UK & Eire publication provides a unique resource.

The Index has been compiled and edited by J. H. Bowman of Thames Valley University and includes a Preface written by Beth Houghton, Head of Library & Archives at the Tate Gallery.
