

INTERNATIONAL LAW REPORTS

Edited by

E. Lauterpacht, C.B.E., Q.C. and C. J. Greenwood

Decisions of international courts and arbitrators, as well as judgments of national courts, are fundamental elements of modern public international law. The International Law Reports is the only publication in the world wholly devoted to the regular and systematic reporting in English of such decisions. It is an absolutely essential work of reference.

The series incorporates a number of important aids:

- Concise but comprehensive summaries of each case
- Key-word headings
- Digest of cases by reference to key-words
- Tables of cases, both alphabetical and by reference to tribunals
- Tables of treaties referred to
- Detailed indexes

The cases are drawn from every relevant jurisdiction — international and national. All decisions in foreign languages are translated into English.

There is no question here of choosing between this series and some other. There is no other publication that even remotely provides a comparable coverage of case law in this field.

The series is a **MUST** for every library that needs to provide even minimal international law coverage. It is also the most **ECONOMICAL AND EFFICIENT** way of accessing the whole range of international case law material.
