This is the Victory

By Mother MARY KIENER, S.N.D., PH.D. 24/-

Presented in the warm, personalised style that Mother Kiener uses to advantage, this book will be for many a helpful friend in prayer, in thought, and in spiritual striving.

Its harmonious interplay of direct address to the reader and its gentle persuasion to affective prayer, combined with its quiet pondering on the profound implications of the great virtue-trinity—Faith, Hope and Charity—leads the reader imperceptibly and easily into a willing recognition of the reasonableness of trusting resignation to God's Holy Will and whole-hearted abandonment to His Divine Providence.

Devotedly Yours*

By Sister BERTRANDE. 400 pages. 28/-

Sister Bertrande was chosen by her Superiors to make the Holy Year Pilgrimage which include visiting many places of interest in four continents. She was determined to share with those Sisters who could not go every experience. So it came about that these letters were written, from France, North Africa, the Holy Land, Italy, Ireland and England. She has made of these letters a compendium of the social, spiritual and economic attitudes of many peoples of many lands.
