

Urbs Giudi: text, translation and topography – CORRIGENDUM

NICK AITCHISON

DOI: <https://doi.org/10.1017/S0263675123000078>. Published by Cambridge University Press, 11 September 2023.

The published version of this article did not acknowledge that several passages in the text were reproduced verbatim or almost verbatim from a peer reviewer. The editors would like to correct this omission. The passages in question are listed below, with reference to the pagination of the FirstView version of the text:

p. 6: ‘It then seeks ... description of *urbs Giudi*.’

pp. 7–8: ‘... locates *Iuden* ... scribal error.’

p. 14: ‘Bede does not attach ... was an island.’

p. 24: ‘... Bede’s use of *in medio* ... of something.’

p. 25: ‘... descriptions of monks ... the shore they were.’

p. 25: ‘... after *Ælflæd* asked ... range of issues.’

pp. 25–6: ‘Bede’s objective ... (Christ and the two thieves).’

p. 26: ‘... a sense of something ... *downwards* inside it.’

p. 26: ‘Bede’s usual practice ... a non-literal meaning ...’
