With the support of grants from the Canadian Department of External Affairs and the U.S. Department of State, each Program hosted for a delegation from its counterpart a five-day visit to its capital city. The Canadian interns journeyed to Washington, D.C. during the week of March 1-5 for a series of meetings with officials from the Canadian Embassy, State Department, White House and various news media, as well as numerous members and staff in the House and Senate. A delegation of Congressional Fellows returned the visit to Ottawa on April 12-16. Meetings arranged by the Canadians included discussions with many members of Parliament, Ministry officials and American Embassy representatives. Mr. Alistair Fraser, Clerk of the House of Commons, was especially helpful in facilitating the American visit.

Previous exchanges between the two programs occurred in 1973 and 1975. Participants in the 1975 exchange are listed below:

Canadian Parliamentary Intern and U.S. Congressional Fellow Exchange

A highly successful exchange between the Canadian Parliament and the United States Congress was recently completed by legislative interns serving in programs sponsored by their respective national political science associations.

The Parliamentary Intern Program, under the sponsorship of the Canadian Political Science Association; and the Congressional Fellowship Program, of the American Political Science Association, are both designed to provide young scholars, journalists and (in the case of the U.S. Program) federal civil servants a practical educational setting for improving their understanding of the legislative process. Interns and Fellows serve as legislative aides in the Parliament and Congress, in addition to participating in numerous seminars during the course of a year.
